Bon Jovi Hard Rock Of The 80s:

Bon Jovi Greg Quill, Schwartz, Julie, Bon Jovi (Musical group), 1988 **Let It Rock** Neil Daniels, 2014-05-26 This book is an unashamed celebration of the landmark album Slippery When Wet Bon Jovi's most successful album to date with sales of over 28 million copies since its 1986 release and one of the most toe tappingly gleeful albums to ever ring out from a pair of speakers Everyone knows the rock classics Livin' On A Prayer or You Give Love A Bad Name but there isn't a bum track on the record This is more than a making of type book because to put Slippery When Wet into context you need to understand what came before and after It is also a handy fans guide to the band's career with a track by track review current thoughts on the album from top rock writers plus bits and pieces that relate directly or indirectly to the legacy of a record which spent eight straight weeks at the top of the Billboard charts The band of course are still with us and released an album in the spring of 2013 along with tour dates which will heighten interest in the book Their fan base is seriously loyal Includes a foreword by former Kerrang journalist and rock expert Paul Suter and an afterword by A R supremo Derek Shulman Simon Dupree And The Big Sound and Gentle Giant who had the foresight to sign the band *Eddie Trunk's Essential Hard Rock and Heavy Metal* Eddie Trunk, 2011-04-01 A coffee table style book from the Sirius XM host of Trunk Nation and VH1 Classic's That Metal Show the perfect gift for a heavy metal and hard rock fan Known as a leading expert on all things hard rock and heavy metal Eddie Trunk has updated and expanded this book with even more on the subject Eddie discusses his most essential bands his unique personal experiences with them his favorite Stump the Trunk anecdotes and trivia as well as his favorite playlists Whether you're a classic Metallic and Megadeath metalhead or prefer the hair metal of old school bands like Bon Jovi or Poison this book salutes those who rock **Eddie Trunk's Essential Hard Rock and Heavy Metal, Volume II** Eddie Trunk, 2013-09-24 A headbanger's treasure with color photos band histories memorabilia and more Eddie Trunk knows more about most bands than they know about themselves Sammy Hagar In the much anticipated sequel to the bestselling Eddie Trunk's Essential Hard Rock and Heavy Metal Trunk picks up where he left off by featuring thirty five new bands both legendary and forgotten and sharing his passion for all things metal Complete with his favorite playlists band discographies memorabilia trivia and more than 200 color photographs this new book combines brief band histories with Trunk's unique personal experiences and behind the scenes stories in a must read for fans of rock and roll Featuring a diverse lineup from Marilyn Manson Overkill and Ace Frehley to Lita Ford Riot and Whitesnake Volume II salutes all those who are ready to rock Praise for the first volume The pictures are great a fun read Seattle Post Intelligencer A nice combination of music history and personal anecdotes Goldmine **Bon Jovi** Margaret Olson, 2013-06-20 In 1986 when Bon Jovi's third studio album Slippery When Wet was released America had found its next superband In Bon Jovi America's Ultimate Band Margaret Olson chronicles the history and music of the band from its inception to present day She closely examines Bon Jovi's musical and social relevance to listeners past and present exploring the remarkable ways the band has

emerged as the expression and product of deep cultural needs and how within a few years of commercial success it has made a lasting impact on Generation X the music business and American culture Through opportunities offered by cable television particularly MTV Hollywood and corporate brands Bon Jovi has been able to influence not only the music film and television industries but also the worlds of fashion musical theater art philanthropy and politics Like any megaband its members have struggled with addiction the demands of fame and a lack of critical respect They have persevered however to become one of the United States world s best selling touring bands Bon Jovi is a testament to the way modern culture and entertainment can become intertwined and its success underscores the length of the band s career the professionalism of its management the recognition of what audiences want and the unique way the music more than anything else both reflects and shapes the social and musical American landscape it inhabits Titles in the Tempo series are ideal introductions to major pop and rock artists the music they produce and their cultural and musical impact on society Bon Jovi America s Ultimate Band should interest fans students and scholars alike

Music of the 1980s Thomas Harrison,2011-06-16 Beyond coverage of mainstream 80s music such as hair band hard rock pop new wave and rap this compilation of essential musical artists also covers genres like classical jazz outlaw country and music theater Popular music in the United States during the 1980s is well known for imports from abroad such as A ha Def Leppard Falco and Men at Work as well as homegrown American rock acts such as Guns N Roses Huey Lewis and the News Bon Jovi and Poison But there were many other types of genres of music that never received airplay on the radio or MTV that also experienced significant evolutions or growth in that decade Music of the 1980s examines the key artists in specific genres of popular music pop hard rock heavy metal rock and country No other reference book for students has previously explored the surprisingly diverse categories of hard rock and heavy metal music with such detail and depth Additionally a chapter focuses on the prominent artists and composers of less mainstream genres for specialized audiences including music theater jazz and classical music

Turkish Metal Pierre Hecker,2016-02-17 Turkish Metal journeys deep into the heart of the Turkish heavy metal scene uncovering the emergence evolution and especially the social implications of this controversial musical genre in a Muslim society The book applies an ethnographic approach in order to study social and cultural change in a Muslim society that is stricken with conflict over the by turns religious or secular nature of the state Turkish Metal explores how Turkish metalheads against all odds manage to successfully claim public spaces of their own thereby transforming the public face of the city The book raises the question of how and why the young dare to rebel against the prevalent social and moral restrictions in Turkish society and it examines whether they succeed in asserting their individual freedom in a society that is still well known for sanctioning any kind of behaviour

deviating from the norm Above all the book investigates the Turkish metal scene s potential for contesting Islamic concepts of morality its relevance within the field of female emancipation and its capacity to foster social relations that cut across national religious and ethnic boundaries The Pockit Rockit Music Finder Ari Abramowitz,2004-10 **The Music Sound** Nicolae Sfetcu,2014-05-07 A guide for music compositions events forms genres groups history industry instruments language live music musicians songs musicology techniques terminology theory music video Music is a human activity which involves structured and audible sounds which is used for artistic or aesthetic entertainment or ceremonial purposes The traditional or classical European aspects of music often listed are those elements given primacy in European influenced classical music melody harmony rhythm tone color timbre and form A more comprehensive list is given by stating the aspects of sound pitch timbre loudness and duration Common terms used to discuss particular pieces include melody which is a succession of notes heard as some sort of unit chord which is a simultaneity of notes heard as some sort of unit chord progression which is a succession of chords simultaneity succession harmony which is the relationship between two or more pitches counterpoint which is the simultaneity and organization of different melodies and rhythm which is the organization of the durational aspects of music *If You Like Metallica...* Mike McPadden,2012-05-01 If You Like In hard rock history there is the time before Metallica and there is everything that has come since metal punk industrial grunge alternative all of it absorbed transformed and reinvented by the band that for decades has ruled as both the Beatles and the Stones of heavy music From garage rock to the avant garde indie pop to hardcore punk and of course all shades of metal If You Like Metallica illuminates the sounds and styles that influenced and have been influenced by this band in addition to nonmusical elements such movies books and cultural iconoclasts Just as Metallica expanded heavy metal to new meanings and new possibilities If You Like Metallica expands being a fan of the band to an education and a treasure hunt that put as bluntly as a devil fingered salute to the face rocks Pop Goes the Decade Thomas Harrison,2017-08-24 This fascinating overview of popular culture in the 1980s describes the decade of excess that resulted from the social political and economic conditions of the time documenting why so many milestones in entertainment arts and technology occurred the 80s Popular culture in the United States in the 1980s as reflected in film television music technology and art serves to illustrate the general feeling of American citizens during this decade that the sky was the limit and the only thing better than big was bigger This title provides readers with an engaging in depth study of the 1980s and supplies the larger historical and social context of popular culture in an era when the extraordinary seemed normal and all the rules were being rewritten The book s wide scope includes the concepts fashions foods sports television movies and music that became popular in the 1980s Readers will see how specific elements of the decade such as visual art and architecture reflect the sense of change in the 1980s often through excessive displays of expression that helped further movements into the avant garde The technological advances entertainment developments and game changers that were essential to establishing the popular culture of the decade are highlighted as is the trend of how

personal expression in the 80s began to penetrate a wider segment of American culture spanning across all ages The book also calls attention to the standout events and individuals who influenced society in the 1980s with emphasis on the figures who intentionally used pop culture as an avenue for change as well as the influences from the 1980s that are still felt today
