Staar, 2021-02-01 Turn the page and open the door into the thrilling saga of The Dragon King where myth and lore love and magic are intermingled in a world where the strength of a pure heart stands against the powers of dark magic Guardians protectors of goodness and light in the world had scarcely survived the Great War against their adversary Abdenagon the Destroyer a fallen Guardian condemned to rule the nether gloom who found a path into the world of the living through tempting the hearts of Guardians whose hearts fell into darkness dark lords battling each other and the humans for

the rule of all After rebuilding the carnage of the long war the Guardians of pure heart could not expunge the fear and hatred the humans felt toward them for the unimaginable suffering caused by the dark lords wielding their powers for evil Guardians were forced to withdraw from the humans to live in the safety of their mountain sanctuary Ellery Glen In the millenniums of peace that followed Abdenagon did not rest regaining his strength he found in Fangull a willing heart to fall into darkness a servant who surpassed his expectations Great darkness loomed over the world once again A war the Guardians were ill prepared to fight with their powers limited by ancient weaves their eyes blinded and their hearts bound by eons of beliefs and traditions that no longer held true They awaited the fulfillment of the prophecy that a king would come to lead them into battle The king that came was not what they had expected their hearts fell into despair as the evil one stirred and darkness threatened to eclipse their world of goodness and light Thus begins The Chronicles of Dragons Wizards and Kings of Ellery Glen

The Fall Christie Meierz, 2024-01-22 After watching her husband die on the bridge of the CCS Alexander and being used as bait by Earth's government Laura Howard has found a second chance at love on a planet light years from Earth until she falls and a head injury erases her time on Tolar Angry frightened and impulsive she rejects the Tolari ruler who loves the woman she was before the fall vowing to live free on Tolar and master the empathic gifts that came with the Jorann's blessing The Paran gained Laura's love once But the woman before him now is vastly different and determined to have nothing to do with him even though they are both in grave danger To save their lives he may have to choose the one path he never wanted to fight for the leadership of Tolar's ruling caste Are they fated to live apart or die together The Fall is the engrossing standalone third book in the Tales of Tolari Space science fiction series If you like planetary adventure and heart warming romance you'll love Christie Meierz tales of the reclusive Tolari *Ruskin Bond A Study of Human Emotions* Dr. Sangeeta Paul Budhiraja, Literature challenges one not only to think about ethical conundrums but also makes one sensitive and compassionate When it blends with euphoria and nostalgia the integral parts of human mind it toughens and becomes sturdy Man loves to live in his past memories to be happy The experiences form a part of human personality and shape their behaviour pattern Nostalgia stores for us our memories which we relish lifelong Even the lamentable days of past become pleasant Though we might have ignored some not too pleasant incidents in our bygone days yet somewhat bitter experiences appear to be impressive and attractive It is aptly said that the panorama of mountains appear beautiful and splendid from a distance The bitterness of nearness is intolerable The more we grow in years the more our past recedes Distance from the life lived long ago makes it sweet and desirable Strain and stress of the present becomes frivolous when we slip and relapse into euphoric nostalgia The instincts of euphoria and nostalgia have been vividly handled by the legendary writers of all times They have given various dimensions and definitions to the readers to redeem these human aspects yet many more stones are still unturned These two instincts in the oeuvre of the legendary writer Ruskin Bond are the anchor points that suggest the scope of study I have chosen to put forward the very idea about how a man's body mind and soul blend with traces of his past memories and support the holistic growth
