Bonhoeffer's Theology Classical Revolutionary:

Bonhoeffer's Theology James W. Woelfel, 1970

Bonhoeffer's Theological Formation Michael P.

DeJonge, 2012-02-23 A detailed examination of the academic formation of Dietrich Bonhoeffer's theology arguing that the young Bonhoeffer reinterpreted for a modern intellectual context the Lutheran understanding of the person of Jesus Christ and distinguishing Bonhoeffer's theology from that of contemporaries Karl Barth and Karl Holl

Pillars in the History of Biblical Interpretation, Volume 2 Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar's theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed

The Tapestry of Christian Theology Gregory C. Higgins, 2003 This unique and supremely readable textbook recounts the thought of nine influential twentieth century theologians in the light of biblical narrative to better understand the Christian life By drawing upon the achievement of major thinkers Rosemary Ruether Gustavo Gutierrez Reinhold Niebuhr Dietrich Bonhoeffer Karl Rahner Jurgen Moltmann Hans Kung Yves Congar and Wolfhart Pannenberg and rooting it within the rich fabric of its biblical context Creation Exodus Conquest Exile the Incarnation the Crucifixion the Resurrection Pentecost and the End of Time The Tapestry of Christian Theology traverses a landscape both historical and spiritual one that traces and encourages a new understanding of both perspectives and illumines a greater insight into our own lives Here is a rigorous and wide ranging textbook for college theology courses also suitable for the general reader

Bonhoeffer's Reception of Luther Michael P. DeJonge, 2017 This study considers the influence of Martin Luther's theology on Dietrich Bonhoeffer with particular reference to justification ecclesiology the doctrine of the two kingdoms and political ethics

The Cambridge Companion to Dietrich Bonhoeffer John W. de Gruchy, 1999-05-13 This Companion serves as a guide for readers wanting to explore the thought and legacy of the great German theologian Dietrich Bonhoeffer 1906-45 The book shows why Bonhoeffer remains such an attractive figure to so many people of diverse backgrounds Its chapters written by authors from differing national theological and church contexts provide a helpful introduction to and commentary on

Bonhoeffer's life work and writing and so guide the reader along the complex paths of his thought Experts set out comprehensively Bonhoeffer's political social and cultural contexts and offer biographical information which is indispensable for the understanding of his theology Major themes arising from the theology and different interpretations to it lead the reader into a dialogue with this most influential of thinkers who remains both fascinating and challenging There is a chronology a glossary and an index

Dietrich Bonhoeffer's Christian Humanism Jens Zimmermann, 2019 An innovative study of the theology of Dietrich Bonhoeffer which elucidates that his work teaches and represents a Christian humanism that is also present in the wider Christian tradition

Ford's The Modern Theologians Rachel Muers, Ashley Cocksworth, 2024-03-18 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology's engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford's The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study

Bonhoeffer John Queripel, 2016-01-17 In the final days of World War II early one frosty morning a young German pastor was taken from his cell by his Nazi captors and led to his place of execution Coming from one of Berlin's leading families Dietrich Bonhoeffer's already brilliant academic and church career was thus brutally

terminated Bonhoeffer found himself in such a strange place for a theologian being one of the very few in the German Church who stood resolutely opposed to the Nazis to the point where he as a one time pacifist became deeply involved in the conspiratorial plot to kill Hitler and bring down the regime This course of action saw him enter the murky sphere of secrecy and duplicity as a member of the conspiracy while two timing the Nazis as a member of military intelligence Using that official role Bonhoeffer was able to travel and communicate with his international ecumenical contacts as part of the conspiracy s attempt to strike a deal with the Allies to end the war From a dark period Dietrich Bonhoeffer brave and resolute stands as a bright and shining light *Dietrich Bonhoeffer and Neo-Calvinism in Dialogue* George Harinck, Brant M. Himes, 2023-11-28 This book is a collection of scholarly essays that place Dietrich Bonhoeffer in conversation with the Dutch Neo Calvinist tradition of Abraham Kuyper and Herman Bavinck The essays engage in theological ethics and historical theology in an effort to frame ongoing dialogue in relation to issues of public theology While Bonhoeffer and Neo Calvinism represent distinct theological traditions there is value in placing their respective ideas in conversation for the purposes of creative insight theological understanding and practical application Contributors represent perspectives from North America and the Netherlands Taken together the essays offer an important contribution to this unique field of theological inquiry

Peace and Violence in the Ethics of Dietrich Bonhoeffer Trey Palmisano, 2016-01-01 Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer who was labeled an Enemy of the State and eventually executed in April 1945 In this book Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer s writings sermons and letters Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country Palmisano asserts that a strong consistency emerges in Bonhoeffer s approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever present challenges of a changing world Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist a situational pacifist or one who compromised his values to accommodate an exception for violence By prioritizing methodology as the key to interpreting Bonhoeffer s thought Palmisano argues that the ethical dilemma thought to be caused by Bonhoeffer s actions is avoided The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement Engaging Bonhoeffer Matthew D. Kirkpatrick, 2016-06-03 Engaging Bonhoeffer documents the extraordinary impact of Dietrich Bonhoeffer s life and writing on later thought Despite his lasting legacy little substantial scholarship has been conducted in this area In this magisterial collection leading international scholars fill this striking gap and critically demonstrate the ways in which Bonhoeffer has been one of the most original inspirational and provocative writers of the twentieth century Bonhoeffer s work has proved foundational for a wide variety of thinkers and movements across such areas as ecclesiology Christology spirituality ethics hermeneutics phenomenology

epistemology and systematic theology more generally Whether one considers his writings to have been faithfully interpreted critically adopted or justifiably rejected Engaging Bonhoeffer describes those who have engaged with Bonhoeffer's work been inspired by his actions and found a way to express and explain their own ideas through interacting with his life and thought In addition to shedding light on the different theological trajectories that Bonhoeffer's work may forge this challenging volume offers a critical window through which to view and appreciate the ideas of many leading voices of modern theology

Negativism of Revelation? Edward van't Slot, 2015-10-19 What do those who believe have when they have faith What traces does the experience of faith leave in the believer's existence And can theologians assure that their studies will genuinely have something to do with the wholly Other Dietrich Bonhoeffer 1906-1945 operating within the framework of Karl Barth's 1886-1968 theology addressed those questions in order to complete this framework The ensuing dialogue between those great theologians affords us a deeper insight in fundamental concepts such as revelation faith christological concentration analogy church and discipleship In this study Edward van't Slot reads this dialogue with regard to both its historical and its theological significance He shows what Bonhoeffer means when he attacks Barth's positivism of revelation and compares it with Barth's earlier negativism of revelation **Pacifism, Just War, and Tyrannicide** David M.

Gides, 2012-03-02 Dietrich Bonhoeffer's perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer's theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer's political thinking and action with his understanding of the church-world relationship and by evaluating the changes in that thought-action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church-world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer's malleable church-world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking **Ontology and Ethics** Adam C. Clark, Michael Mawson, 2013-08-27 Recent scholarship in a number of

disciplines has explored the relationship between ontology and ethics The essays in this collection indicate what the German theologian Dietrich Bonhoeffer 1906-1945 has to contribute to this discussion By engaging the breadth of his academic and pastoral writings these essays retrieve Bonhoeffer's theology for a contemporary audience They do so by critically clarifying and extending key concepts developed by Bonhoeffer across his corpus and in dialogue with Hegel Heidegger Dilthey Barth and others They also create dialogues between Bonhoeffer and more recent figures like Levinas Agamben Foucault and

Lacoste Finally they take up pressing contemporary ethical issues such as globalization managerialism and racism The Church for the World Jennifer McBride, 2014-03-05 Drawing on the work of German pastor theologian Dietrich Bonhoeffer Jennifer McBride constructs a new theology of public witness for American Protestant church communities based on the public expression of repentance and redemption Satire on a Sad Second Millennium James B. Platts, 2007 *Bonhoeffer* Clifford J. Green, 1999 Rev ed of The sociality of Christ and humanity *Origins of Modern Europe; Medieval National Consciousness* Abida Shakoor, 2004 This Book Covers Various Topics Concerning Modern European History In Spite Of The Author S Artistically Simple Writing Style The Treatment Given To Various Topics Is Indepth And Scholarly Besides The Incidents And Episodes Addressing To Important Historical Figures Movements Struggles Dreams And Aspirations Of Common Man Are Also Highlighted In This Book All The Events Dealt With Are In Fact Forming A Sequence Targeting Towards Contemporary Socio Political Scenario The Present Book Would Be Of Great Use To Research Scholars Students And Teachers Interested In European History It Would Definitely Fill The Gap In The Literature Concerning Modern Europe

The Politics of Virtue Elizabeth Mensch, Alan Freeman, 1993 Fiercely committed to the separation of church and state thoroughly pluralistic largely secular Where does a society like ours find common terms for conducting a moral debate In view of the crises surrounding the issue of abortion it is tempting to answer nowhere In this timely and provocative book Elizabeth Mensch and Alan Freeman urge that we challenge the extremes of both the pro life and pro choice views of the abortion issue and affirm the moral integrity of compromise Attempting to restore a level of complexity to the discussion and to enrich public debate so that we may move beyond our current impasse the authors argue that it is essential to understand how issues of legal rights and theological concerns interact in American public debate Returning to the years leading up to Roe v Wade Mensch and Freeman detail the role of religion and its relationship to the emerging politics of abortion Discussing primarily the natural law tradition associated with Catholicism and the Protestant ethical tradition the authors focus most sharply on the 1960s in which the present terms of the abortion debate were set In a skillful analysis they identify a variety of factors that directed and shaped the debate including among others the haunting legacy of Nazism the moral challenge of the civil rights movement the God is dead discourse school prayer and Bible reading Harvey Cox s *The Secular City* the Berrigans and Vietnam the animal rights movement and the movement of the church going population away from mainstream Protestant tradition toward evangelical fundamentalism By criticizing the rhetoric employed by both the pro choice and pro life camps Mensch and Freeman reveal the extent to which forces on either side of the issue have failed to respond to relevant concerns Since Roe v Wade the authors charge public debate has seemed to concede the moral high ground to the pro life position while the pro choice rhetoric has appeared to defend an individual s legal right to do moral wrong Originally published as a special issue of *The Georgia Law Review* Spring 1991 this revised and expanded edition will be welcomed by all those frustrated by the impasse of debates so central to our nation s moral life

Bonhoeffers Theology Classical Revolutionary Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **Bonhoeffers Theology Classical Revolutionary**, a literary masterpiece that delves deep to the significance of words and their effect on our lives.
