Bonnie Scotland A.R. Hope Moncrieff, 2020-08-06
Reproduction of the original *Bonnie Scotland* by A R Hope Moncrieff *Bonnie Scotland (Illustrations)* Ascott Robert Hope Moncrieff, 2015-02-13 The author does not attempt elaborate word pictures that would seem pale beside the artist's colouring His design has been as accompaniment to these beautiful landscapes an outline of Scotland's salient features with glimpses at its history national character and customs and at the literature that illustrates this country for the English speaking world While taking the reader on a fireside tour through the varying airts of his native land he has tried to show how its life silken or homespun is a tartan of more intricate pattern than appears in certain crude impressions struck off by strangers And into his own web have been woven reminiscences anecdotes and borrowed brocade such as may make entertaining stripes and checks upon a groundwork of information The mainland only is dealt with in this volume which it is intended to follow up with another on the Highlands and Islands
