The Book And The Brotherhood Iris Murdoch, 2010-04-01 It's the midsummer ball at Oxford and a group of men and women friends since university days have gathered under the stars Included in this group is David Crimond a genius and fervent Marxist Years earlier the friends had persuaded David to write a philosophical and political book on their behalf But opinions and loyalties have changed and on this summer evening the long resting ghosts of the past come careering back into the present
