Seeing from Heaven Randy Finlay, 2010-12-06 Having heavens perspective while walking on the earth seems like the impossible dream to most of us But by understanding the life of Jesus Christ and His finished work we can learn how to see all things from heavens viewpoint Seeing from Heaven focuses on understanding heavens perspective by seeing through the eyes of God our Father who is in heaven We being seated with Him provides us the opportunity to see as He sees being in Christ and seeing through His eyes How does seeing from heaven affect everyday circumstances and everyday life Though in the world Jesus was not of this world Our citizenship is in heaven even while we dwell on the earth Taking a closer look at Jesus will always open a heavenly view to us Our beliefs should only draw us closer to God and see Him more clearly so we might freely partake of His life Then it is with that impression of His life in us that we live and move and have our being Seeing from Heaven presents a detailed biblical examination of this way of living and encourages us all to live through Gods eyes

How to Swindle by Faking Science P. S. J. (Peet) Schutte, 2012 How To Swindle by Faking Science then you are going read what is the mother of all the conspiracies in science which is about how science applies mind control by processing thought control This is the truth Science practicing physics about Astronomy Cosmology and everything to do with Stars the Cosmos or Universe Galactica is under a Conspiracy to hide and conceal the truth Does this sound far fetched I challenge you to read this book and then still think it is far fetched Read what science hides and I prove every word This book reveals what Science in Physics concerning Astronomy Cosmology hides for hundreds of years You read how science swindles to make Newton seem truthful and every time they find out how nature works nature destroys Newtonian concepts completely This is the a conspiracy For the first time in history I prove gravity is P But if science was as unblemished and perfect as physicists say it is then my work has no place to be This then is the attitude in science about my work To counter that claim I prove that there is a mother conspiracy in place about covering the misconceptions hidden under a cloak of false lily white purity and truthfulness To hide Newton's indefensible incorrectness science created a

mother conspiracy which I reveal There is a mother conspiracy hiding mistakes in place Science benefits from and build upon this mother conspiracy being in place while I can t get further with my work while it is in place It s imbedded in the teaching and learning process students undergo in learning Newtonian dogma Students are brainwashed by the instigation of mind control that forces students to accept the dogma I prove gravity has value of P still by keeping me quiet I am perverted to introduce a new cosmic vision showing how the Universe forms when enlisting the four phenomena How it works in science is Newton gets undeserved unduly credit in discrediting nature I show how singularity takes on every shape and space we know Are you up to facing the truth about what you thought is more righteous than God Read this and see what those in science hide to make them seem so surreal
