The English Country House Garden George Plumptre, 2018-10-02 This book will inspire and delight the stories of these gardens so compellingly captured by George Plumptre. They make the reader stop and tarry awhile, marvelling at the energy, the vision and the passion of the people who created gardens such as Hidcote, Sissinghurst and Great Dixter. The English Garden: A feast of horticulture and Englishness. Here is a space to wander and relax, to share secrets and above all to enjoy afternoon tea. But even the most peaceful of gardens also take passion and hard work to create. This new book takes a fresh look at the English country house garden, starting with the owners and the stories behind the making of the gardens. Glorious photographs capture the gardens at their finest moments through the seasons, and a sparkling and erudite text presents twenty-five gardens, some grand, some personal, some celebrated, some never before photographed, to explore why this garden style has been so very enduring and influential. From the Victorian grandeur of Tyntesfield and Cragside to the Arts and Crafts from Scampston in the same family since the 17th century to new gardens by Dan Pearson and Tom Stuart Smith, and with favourites such as Hidcote and Great Dixter alongside new discoveries, this book will be a delicious treat for garden lovers.

The Private Gardens of England Tania Compton, 2015-10-15 The Sunday Times Gardening Book of the Year. Described by Vogue as the revelatory garden book for our age and a splendid new book, Sebastian Shakespeare Daily Mail. The Private Gardens of England is a glorious celebration of the art of gardening through some of the country's hidden horticultural jewels. Thirty-five English private gardens thoughtfully selected by the writer and designer Tania Compton are vividly described in the words of their owners, who bring an astonishing sense of intimacy to their own creations, as well as their collaborations with some of the leading garden designers of today. From the Bannermans' romantic Cornish castle to the windswept shores of Howick in Northumberland, via Jasper Conran in Somerset and Tom Stuart Smith in Hertfordshire, an eclectic range of gardens is revealed. The traditional English garden is seen through the fresh eyes of plantswomen such as Mary Anne Robb at Cothay Manor and Arabella Lennox-Boyd at Gresgarth Hall, alongside Hilborough House in Norfolk and Ferne Park in Dorset, that recently only existed as fields. The historic landscape gardens of Boughton House and St Paul's Walden Bury are explored alongside the contemporary and conceptual at Plaz Metaxu in Devon. From the private walled garden at Petworth to the wildflower strewn meadows of Spye Park, each garden is a testament to the thriving art of English gardening. With contributions from the country's best garden photographers, The Private Gardens of England reveals gardening at its highest level. It will inform and inspire anyone with a love of gardening, beauty and excellence. The photographs are a breath away, spellbinding. The minute level of detail here will satisfy real gardeners, elevating this
