We build this foundation by studying the thirty nine books of the Old Testament which provides the foundation for the whole Bible. In order to be prosperous and successful Joshua 1:8 tells us: "This Book of the Law shall not depart from your mouth but you shall meditate in it day and night that you may observe to do according to all that is written in it. For then you will make your way prosperous and then you will have good success." We must know what is revealed to move to what is fulfilled. This textbook and study guide will assist students in becoming literate in Old Testament scriptures and assist students in understanding Old Testament events in a continued sequence. The textbook and study guide has 57 lessons with questions and focus verses after each lesson. There are Literary Charts and maps of the various important events and answers to all lesson questions are located at the end of the book.
