From Trials to Triumphs Faustin Ntamushobora,2010-01-01 The purpose of this book is to encourage people who are struggling with understanding how a loving God seemingly allows evil in the lives of his children that He jealously protects and for the maturing of his children whom He sincerely loves The book which is a result of a personal journey in the author s life and ministry is a remarkable blending of an exposition of the biblical book of Habakkuk and a firsthand account of the contemporary struggles faced by believers in Africa The author identifies with Habakkuk s struggles and sees how they apply generally to his own fellow Africans More than merely identifying with Habakkuk s plight however the author also sees how Habakkuk worked through his struggles to a mature view of God s sovereignty and the necessity for a vital faith that trusts the Lord no matter what This book will encourage you with its positive message of God s ultimate goodness even in the midst challenging circumstances and it will motivate you to submit your life to him so that you may
