Book One of the Naxos Island Mages David Scott Webster, 2003-11 Life has never been normal for young Stephunos There s his hyper little brother the fact that he is a young nobleman a warrior and a mage If his best friend Chara isn t beating him senseless his little brother is playing practical jokes on him Even though he is twelve he is already the best swordsman around Well at least in practice since he has never had to really fight anyone Stephunos already unusual life is about to get even stranger as he and his friend set out on a grand trading adventure Stephunos and his brother must keep their magical powers hidden even from their friends for these are very dangerous times for anyone with such powers This isn t easy when there is a vampire around and you are being hunted by an evil mage Then there is a strange island far to the North where there are very intelligent dragons unicorns and many more mystical creatures waiting to be rediscovered While Stephunos is away Stephunos parents must defend their home county from an invading army since their Dukes many enemies are attacking If they can all survive to return home will there be a home to return to

Book Three of the Naxos Island Mages David Webster, 2005-06 Again Stephunos is confronted with reality a reality that six months ago was inconceivable New Worlds People from other planets Stephunos again has a secret It s not the first secret that the twelve year old Stephunos has had to keep Now that he lives on Naxos the strange island where intelligent dragons unicorns and other mystical creatures have been rediscovered he no longer has to hide being a mage Others now know of his apparent friend the Vampire Razvan But he and the people of Naxos must hide their new discoveries for not everyone can handle the news and not everyone should know Old enemies still long for the destruction of Naxos Enemies that have knowledge of things they shouldn t Despite his defeats Cosmin still has plans for the violent demise of the nobles of Naxos He longs to see Duke Belen dead New allies might give him the chance Still life must go on Despite the sudden addition of life altering facts Stephunos and his group of friends must learn to deal with new technologies while continuing to live as they always had Journey along

with Stephunos and his friends as they make new friends face old foes and make new enemies Book Four of the Naxos Island Mages David Webster,2006-02-12 Stephunos adventures continue as settling into the drastically different life the last six months have brought hasn t been easy Dealing with the pressures of being an Earl a teacher and an Ambassador at twelve certainly has a way of complicating things With the help of his friends or maybe despite their help Stephunos is hoping to relax A tall order when you have an overly hyper younger brother and his cohort Youngblood a highly intelligent young blue dragon always stirring up trouble Still Stephunos plans to put the everyday pressures behind as his holiday break arrives However a planet where magic radiates everywhere that stands on the verge of clashing with the recently discovered technological universe that has arrived at their door doesn t exactly make for the best place Cosmin and the Dark Mages despite defeat after defeat still live Secrets still have to be protected The addition of space travel has opened up the threat of invasion The vampire Razvan is uneasy something sinister is afoot Has the time come for a favor to be asked Granted
