Teaching Creative Writing in Canada maps the landscape of Creative Writing programmes across Canada Canada s position both culturally and physically as a midpoint between the two major Anglophone influences on Creative Writing pedagogy the UK and the USA makes it a unique and relevant vantage for the study of contemporary Creative Writing pedagogy Showcasing writer professors from Canada s major Creative Writing programmes the collection considers the climate crisis contemporary workshop scepticism curriculum design programme management prize culture grants and interdisciplinarity Each chapter concludes with field tested writing advice from many of Canada s most influential professors of fiction poetry creative nonfiction and drama This authoritative volume offers an important national perspective on contemporary and timeless issues in Creative Writing pedagogy and their varied treatment in Canada It will be of valuable to other creative teachers and practitioners those with an interest in teaching and learning a creative art and anyone working on cultural and educational landscapes **Culinary Landmarks** Elizabeth Driver,2008-04-05 Culinary Landmarks is a definitive history and bibliography of Canadian cookbooks from the beginning when La cuisini re bourgeoise was published in Quebec City in 1825 to the mid twentieth century Over the course of more than ten years Elizabeth Driver researched every cookbook published within the borders of present day Canada whether a locally authored text or a Canadian edition of a foreign work Every type of recipe collection is included from trade publishers bestsellers and advertising cookbooks to home economics textbooks and fund raisers from church women s groups The entries for over 2 200 individual titles are arranged chronologically by their province or territory of publication revealing cooking and dining customs in each part of the country over 125 years Full bibliographical descriptions of first and subsequent editions are augmented by author biographies and corporate histories of the food producers and kitchen equipment manufacturers who often published the books Driver s excellent general introduction sets out the evolution of the cookbook genre in Canada while brief introductions for each province identify regional differences in developments and trends Four indexes and a Chronology of Canadian Cookbook History provide other points of access to the wealth of material in this impressive reference book **General Catalogue of Printed Books** British Museum. Department of Printed Books,1969 *Keepers of the Code* Robert Lecker,2013-02-07 Keepers of the Code

explores the complex network of associations and negotiations that influenced the development of literary anthologies in English Canada from 1837 to the present Lecker shows that these anthologies are deeply conflicted narratives that embody the tensions and anxieties felt by their editors when faced with the challenge of constructing or rejecting national ideals He argues that these are intensely self conscious works with their own literary mechanisms and architecture In reading the history of these anthologies he witnesses a complex narrative of nation a compelling story about the values and interests informing English Canadian literary history
