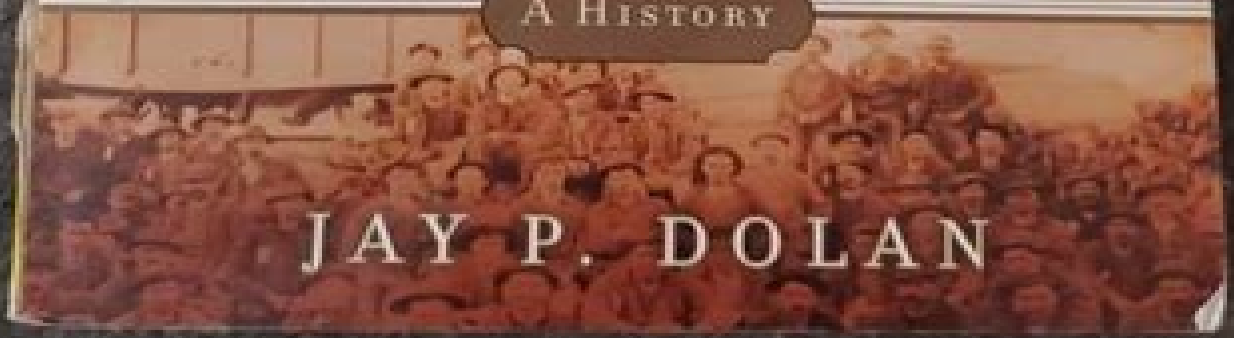
"No matter how many times it is told, the story of these immigrants is awe-inspiring."
—*Wall Street Journal*

The IRISH AMERICANS

A History



JAY P. DOLAN

Book Of Irish Americans

Marjorie R. Fallows

Book Of Irish Americans:

The Irish Americans Jay P. Dolan,2010-06-01 Jay Dolan of Notre Dame University is one of America s most acclaimed scholars of immigration and ethnic history In THE IRISH AMERICANS he caps his decades of writing and teaching with this magisterial history of the Irish experience in the United States Although more than 30 million Americans claim Irish ancestry no other general account of Irish American history has been published since the 1960s Dolan draws on his own original research and much other recent scholarship to weave an insightful colorful narrative He follows the Irish from their first arrival in the American colonies through the bleak days of the potato famine that brought millions of starving immigrants the trials of ethnic prejudice and No Irish Need Apply the rise of Irish political power and the heyday of Tammany politics to the election of John F Kennedy as president a moment of triumph when an Irish American ascended to the highest office in the land Dolan evokes the ghastly ships crowded with men and women fleeing the potato blight the vibrant life of Catholic parishes in cities like New York and Chicago the world of machine politics where ward bosses often held court in the local saloon Rich in colorful detail balanced in judgment and the most comprehensive work of its kind yet published THE AMERICAN IRISH is a lasting achievement by a master historian that will become a must have volume for any American with an interest in the Irish American heritage **The Book of Irish Americans** William D. Griffin,1990 The story of the Irish in America is the story of the Republic itself Includes short takes on the great writers the great clerics the story of how the Irish literally built America and much more Illustrated with historical pictures **The Irish American Family Album** Dorothy Hoobler,Thomas Hoobler,1995 Erin go bragh Ireland forever The popular Celtic saying is heard in the United States from New York to San Francisco because there are more than 39 million Americans who list their ancestry as Irish Nearly 800 000 Irish arrived here between 1841 and 1850 and 900 000 followed over the next decade In other words more than one out of every five people in Ireland left for the United States in that 20 year period The Irish American Family Album is a remarkable history and memoir In their own words from diary entries letters interviews and personal reflections and with photographs and clippings pulled from family archives and the press of the day the rich and colorful history of the Irish immigration to this country is told with a passion and wit that is uniquely Irish Life on the ould sod and the hardships of the great potato famine and British rule the decision to leave the arduous Atlantic journey first impressions of their new home settling in and building a new life all are made immediate and real through the words and snapshots of the participants But not all are happy memories Most of the immigrants were young people and left Ireland with a heavy heart believing that they would never again see those they left behind They faced prejudice in this country No Irish Need Apply was a familiar sign in shop windows and in newspaper advertisements and living conditions in the tenements they could afford were a far cry from life on the farm back home Many immigrants found their first jobs here as laborers They were among the workers who built the Erie Canal the transcontinental railroad and the Statue of Liberty In the west Irish laborers found work as miners during the

gold rush Irish women often worked as servants in the houses of the upper class or worked in the cloth mills of New England Though prejudice tried to keep the majority at the bottom of society the very size of the Irish American community made them a powerful political force and in cities such as Boston New York and Chicago the Irish took control of local political organizations and were soon a force to be reckoned with There are many success stories in The Irish American Family Album The Kennedy family film actor John Wayne artist Georgia O Keeffe novelist F Scott Fitzgerald and Sandra Day O Connor the first woman justice of the Supreme Court all bear witness to the strength and endurance of the Irish spirit These and other famous Irish Americans are profiled throughout the book But the real joy comes in seeing the multitude of faces in the rare and fascinating photographs and reading memories of Irish grandmothers of boys who grew up in Hell s Kitchen at the turn of the century of an early union organizer and the thousand of other voices that make up the proud and diverse Irish American community Their stories add an important chapter to the multicultural portrait of America *Irish Americans* William E. Watson,Eugene J. Halus Jr.,2014-11-25 Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants This encyclopedia tells the full story of the Irish American experience covering immigration assimilation and achievement The Irish have had a significant impact on America across three centuries helping to shape politics law labor war literature journalism entertainment business sports and science This encyclopedia explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed Well known Irish Americans are profiled but the work also captures the essence of everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups The approximately 200 entries in this comprehensive one stop reference are organized into four themes the context of Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture Each section offers a historical overview of the subject matter and the work is enriched by a selection of primary documents The Columbia Guide to Irish American History Timothy J. Meagher,2005-09-14 Once seen as threats to mainstream society Irish Americans have become an integral part of the American story More than 40 million Americans claim Irish descent and the culture and traditions of Ireland and Irish Americans have left an indelible mark on U S society Timothy J Meagher fuses an overview of Irish American history with an analysis of historians debates an annotated bibliography a chronology of critical events and a glossary discussing crucial individuals organizations and dates He addresses a range of key issues in Irish American history from the first Irish settlements in the seventeenth century through the famine years in the nineteenth century to the volatility of 1960s America and beyond The result is a definitive guide to understanding the complexities and paradoxes that have defined the Irish American experience Throughout the work Meagher invokes comparisons to Irish experiences in Canada Britain and Australia to challenge common perceptions of Irish American history He examines the shifting patterns of Irish migration discusses the role of the Catholic church in the Irish immigrant experience and considers the Irish American influence in U S

politics and modern urban popular culture Meagher pays special attention to Irish American families and the roles of men and women the emergence of the Irish as a governing class in American politics the paradox of their combination of fervent American patriotism and passionate Irish nationalism and their complex and sometimes tragic relations with African and Asian Americans Irish Americans Marjorie R. Fallows,1979 **Making the Irish American** J.J. Lee,Marion R. Casey,2007-03 Explores the history of the Irish in America offering an overview of Irish history immigration to the United States and the transition of the Irish from the working class to all levels of society Irish on the Inside Tom Hayden,2003 Tom Hayden explores the losses wrought by Irish American conformism in his own life and beyond *Textures of Irish America* Lawrence J. McCaffrey,1998-10-01 The textures of the Irish American experience have been manifold greatly influencing this country s economic social and cultural development over the past two centuries Unlike that of many other European immigrants the Irish journey to America was viewed largely as a one way trip They quickly adjusted to America soon becoming citizens and active participants in politics By the end of the 19th century they dominated not only most American cities but also sports especially baseball and many were prominent in show business In this entertaining study of one of America s most engaging and controversial groups Lawrence McCaffrey reveals how the Irish adapted to urban life progressing from unskilled working class to solid middle class Denied power and influence in business and commerce they achieved both through politics and the Catholic church In addition to politicians and churchmen McCaffrey discusses the roles of writers such as Finley Peter Dunne James T Farrell Eugene O Neill J F Powers Edwin O Connor William Kennedy Elizabeth Cullinan Tom Flanagan Thomas Fleming Jimmy Breslin and John Gregory Dunne as well as such film stars as Jimmy Cagney Bing Crosby Grace and Gene Kelly and Spencer Tracy McCaffrey completes the story with a look at the role of Irish nationalism in developing the personality of Irish America and in liberating Ireland from British colonialism The result of some forty years of thinking and writing about Irish American life McCaffrey s Textures will appeal to scholars and general readers alike and may very well becomes the standard work on Irish America **Enter the Irish-American** Edward Wakin,1976 Accounts of conditions which forced them to flee Ireland and their adjustments to America *The Irish Americans* Brenda Haugen,2003 Provides information on the background heritage and traditions of Irish Americans **Irish America** Maureen Dezell,2001 Dezell offers a clear in depth look at the contributions of Irish American s to the nation s art commerce politics and social welfare and the cultural traditions and historical legacy that shaped them 20 illustrations throughout *Looking for Jimmy* Peter Quinn,2008-02-05 An exceptionally thoughtful and interesting inquiry into Irish America More a meditation than a history from the acclaimed author of Dry Bones The Washington Post In the hands of historical novelist and speechwriter Peter Quinn the Irish stereotype of Paddy gives way to an image of Jimmy an archetypal Irish American a composite of Jimmy Cagney and Jimmy Walker who comes to life as a fast talking tough yet refined urban American redefining US politics street culture religion and imagination From immigrating to the United States to modern day

politics Quinn s vibrant prose weaves together the story of a people that has made an immeasurable contribution to American history and culture Entertaining and informative There are portraits of the Irish as politician cop priest teacher writer In this deft examination of America s Irish Quinn adds color and nostalgia with his tales of growing up and working in the Bronx of another time Publishers Weekly You don t have to be Irish or Irish American to love this book Whoever you are you are in it This is the kind of book you will want to bestow on anyone with or without a hyphen in their history Frank McCourt Pulitzer Prize winning author of Angela s Ashes Well written and researched showcasing the author s pride in his Irish Catholic heritage Kirkus Reviews **Irish America** Reginald Byron,1999-11-11 Few writers on the Irish in America have looked beyond the nineteenth century ethnic enclaves of New York Boston Philadelphia or Chicago or have asked how the notion of an Irish American ethnic identity in contemporary America can be reconciled with five six or seven generations of intermarriage and assimilation over the last century and a half This study based on interviews with 500 people of Irish ancestry in Albany New York aims to discover in what senses and in what degrees the present day descendants of nineteenth century Irish immigrants possess distinctive social practices and ways of seeing the world and raises questions about the social conditions in which ideas of Irishness have been created and re created **Irish Americans** Michael V. Uschan,2006-12-15 Describes why many Irish immigrated to the United States and how they overcame prejudice to succeed in all avenues of society **Irish Americans** ,1994 An overview of Irish immigration to the United States Discussions of Irish American participation in the Civil War in the building of cities and their work in the mills and mines **Irish Americans** William E. Watson,Eugene J. Halus (Jr.),2015 This work explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed It covers everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups in four themes Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture included are profiles of well known Irish Americans **How the Irish Became White** Noel Ignatiev,2009 Noel Ignatiev s 1995 book tells the story of how the oppressed became the oppressors how the new Irish immigrants achieved acceptance among an initially hostile population only by proving that they could be more brutal in their oppression of African Americans than the Nativists **Journey of Hope** Kerby Miller,Patricia Mulholland Miller,2001-09 A three dimensional book featuring images and documents of Irish immigrants *The American Irish* William Vincent Shannon,2012-08-01
