Book Of Renfield A Gospel Of Dracula:

The Book of Renfield Tim Lucas, 2023-04-11 Lucas mimics Stoker's style so well that it's hard to distinguish his own writing from passages interpolated from *Dracula*. A fully humanized character study. Publishers Weekly. Perhaps the most infamous supporting character in all of Gothic Horror is R M Renfield, the unstable patient under observation at Dr Seward's Carfax Asylum in Bram Stoker's *Dracula*, a pathetic wretch who prophesies the imminent arrival of the Master while covertly feeding on spiders and flies. Yet Stoker's 1887 classic tells us almost nothing about him. Why and how was such an unsavory figure chosen to be the Un-dead Count's groveling envoy? In this remarkable harbinger of the mash-up novel, author Tim Lucas, with the help of Stoker himself, takes us on an illuminating, magical, sometimes strangely erotic investigation into Renfield's origin, fitted seamlessly within the language and the flurry of correspondence and other documentation found in *Dracula*. **THE BOOK OF RENFIELD** reinvigorates Stoker's seminal horror masterpiece with numerous uncanny stories within stories, alternately ghastly, marvelous, and hauntingly tender, framing *DRACULA*'s robust blood and thunder with a flair for meta and modernity. This Newly Revised Edition is extensively reworded and restructured, incorporating many paragraphs of content deleted from the original 2005 text. Also included is a contextualizing new Foreword by horror expert Stephen R. Bissette and a substantial Afterword by the author.

The Only Criminal Tim Lucas, 2024-09-27 Once upon a time in a world otherwise much like our own, there is only one source of evil, torment, and crime in the entire world. He is known as The Only Criminal. By extension, he is also the only source of interesting information in print and televisual news. All movies, all TV shows are made about him. He is also responsible for all the recorded music in the world brought into being under the influence of illegal drugs. The Only Criminal is also the only source of fascination for a brilliant young psychologist, Dr. Paul Vaguely, a man driven by his obsession with this one subject, which fills him with fear and fuels his boundless curiosity and imagination. The good Dr. Vaguely is developing a new branch of psychiatric care, specializing in the treatment of patients whose lives were touched by the peril and plunder of The Only Criminal, but his plans are upset by two things: the discovery of the only known survivor of an Only Criminal attack, to have actually seen him and lived; and The Only Criminal's most fiendish coup of all, which steers the world at large toward a collective nervous breakdown. Decades in preparation, *The Only Criminal* is many things: a Kafkaesque comic book on the theme of Original Sin; a never more relevant love story between two isolated characters fearful of risking human contact; even a fanciful alternative history of how our world may have ended up in such a catastrophic mess. Dark, humorous, erotic, and charged with danger, *The Only Criminal* may be its author's definitive journey into the depths of dark obsession. Compulsively, enviably superb. **THE ONLY CRIMINAL** is a marvel. Tim Lucas brilliantly weaves wit, romance, and glorious wisdoms with maestro cool. R. C. Matheson, *Dystopia*. It's brilliant, one of the most interesting and entertaining things I've read. Kelley Jones, *Batman: The Sandman*. This is a wonderful, droll, witty book, a real joy for people with eclectic cinematic and reading tastes. A bedtime book to savor, just like one of the hero's vanilla-flavored cigarettes. Joan Hawkins.

Terence Fisher Paul

Leggett, 2010-06-28 Some critics in England and France have long maintained that British director Terence Fisher whose films dominated world markets in the 1950s and 60s was one of the greatest directors of fantasy films in history Since his death in 1980 Fisher's reputation has grown from relative obscurity and his influence on the development of the modern horror film has been widely recognized However Fisher's importance should not be limited to the context of the fantasy and horror film genres His films should also be recognized as expressions of his generalizations about human spirituality This critical study of Fisher's films begins with an introduction that provides biographical information on his film career summaries of all of the films he directed and examples of his impact on contemporary cinema All of Fisher's films are analyzed in terms of their Christian and religious themes as well as their mythical sources Chapters are devoted to Fisher's work on the subjects of Frankenstein Dracula curses The Devil Rides Out the ancient goddess The Gorgon the divided self The Man Who Could Cheat Death and the redeemer hero The Strangers of Bombay The concluding chapter analyzes the role and influence of Biblical narratives in Fisher's films Also included is a filmography the work is fully indexed **The Essential Dracula** Bram Stoker, 1979 The definitive annotated edition of Bram Stoker's classic novel **Zagrob**, 2006

The Theology of Dracula Noël Montague-Étienne Rarignac, 2012-01-23 Few books have so seized the public imagination as Bram Stoker's Dracula even more popular now than when it was first published in 1897 This critical work represents a rereading of the horror classic as a Christian text one that alchemizes Platonism Gnosticism Mariology and Christian resurrection in a tale that explores the grotesque Of particular interest is the way in which the Dracula narrative emerges from earlier vampire tales which juxtapose Apollonian and Dionysian impulses A strong addition to vampire and horror scholarship
