One Against the World; Or, Reuben's War; a Novel John Saunders (Novelist.),1865 [The Seventeenth Century Hebrew Book \(2 Vols\)](#)

Marvin J. Heller,2011 The Seventeenth Century Hebrew Book covers the gamut of Hebrew literature in that century Each entry has a descriptive text page and an accompanying reproduction There is an extensive introduction with an overview of Hebrew printing in the seventeenth century *The Writing Family of Stephen King* Patrick McAleer,2014-01-10 This work examines Stephen King's position in popular literary circles and then considers the contributions of his family to the landscape of contemporary fiction Though they have to a degree been eclipsed by Stephen King's popularity his wife Tabitha King and sons Owen King and Joe Hill have found varying levels of success in their own right The three have traveled their own writing paths from supernatural fiction to contemporary literary fiction This is the first extended exploration of the works of three authors who have too long been overshadowed by their proximity to the King of Horror

Reuben's Fall Sheri L Leafgren,2016-06-16 This study offers a lens on two kindergarten classrooms examining moments of disobedience as children interacted with children their teachers and the space and time elements of the classroom environments Through Eisner's educational criticism author Sherry Leafgren also examines the elements of school kindergarten and teachers within the spaces of their intersections with the children While past research has directed our attention to addressing the problem of classroom disobedience Leafgren provides an opportunity and means to view these familiar actions through fresh lenses of possibilities Predicated by an event in the researcher's teaching life she utilizes Deleuze and Guattari's rhizoanalysis to openly seek lateral paths of understanding by linking and folding the findings with texts other than those that would be

normally used toward developing new understandings and questions regarding children's disobediences. An earlier version of this book was awarded the distinguished dissertation award from the International Institute for Qualitative Methodology.
