Exploring Revelation John Phillips, 2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine *The Book of Revelation* Leonard L. Thompson, 1997-02-13 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament canon as The Book

of Revelation What was John's message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John's visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes

Book of Revelation John of Patmos, God, Matthew Henry, 2014-03-11 I am the Alpha and the Omega the one who is who always was and who is still to come the Almighty The Book of Revelation often known simply as Revelation or the Apocalypse is the final book of the Bible and is the only purely apocalyptic book in the New Testament The author of the work identifies himself in the text as John and says that he was on Patmos an island in the Aegean when he was instructed by a heavenly figure to write down the contents of a vision Most modern scholars believe it was written around AD 95 with some believing it dates from around AD 70 The book spans three literary genres epistolary apocalyptic and prophetic It begins with an epistolary address to the reader followed by an apocalyptic description of a complex series of events derived from prophetic visions which the author has seen These include the appearance of a number of figures and images which have become important in Christian eschatology such as the Whore of Babylon and the Beast and culminate in the Second Coming of Jesus Christ The obscure and extravagant imagery has led to a wide variety of interpretations historicist interpretations see in Revelation a broad view of history interpretations treat Revelation as mostly referring to the events of the apostolic era 1st century or at the latest the fall of the Roman Empire futurists believe that Revelation describes future events and idealist or symbolic interpretations consider that Revelation does not refer to actual people or events but is an allegory of the spiritual path and the ongoing struggle between good and evil The King James Version Douay Rheims Version The American Standard Version Bible in Basic English Version Webster Bible Version The Matthew Henry Commentary

The Message of Revelation Michael Wilcock, 2021-05-26 What is the book of Revelation Does it describe in veiled language events of its writer's own day or is it largely a prophecy of events still to come Is it a chart of the whole of history from Christ's first coming to his second Or does it deal chiefly with principles which are always valid in Christian experience And what is a twenty first century reader to do with living creatures locusts like horses seven bowls of wrath war in heaven various beasts and a dragon Michael Wilcock maintains that when God's words declarations arguments and reasonings had all been spoken God gave the church a gorgeous picture book He lifts the curtain on Revelation's drama in eight scenes helping our imaginations as well as our

minds grasp the key concepts of this fascinating and enigmatic New Testament book **The Book of Revelation** Terry L. Newbegin, 2011-03 Revelations A New Beginning contains the hidden secrets of Saint John's Revelations and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it We have always assumed the words of God's prophets and their stories were indisputable just because of one's eminence in interpreting them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelations is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Revelations is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind Revelations A New Beginning is a book that will help open the gates of your Soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelations that religions have kept as a secret for thousands of years either on purpose or because of ignorance *The Book of Revelation* Robert H.
