Book Of The Twelve Prophets Vol 1:

Berit Olam: The Twelve Prophets Marvin A. Sweeney, 2016-03-16 There is generally no common material that binds together the works of the individual prophets that comprise the Twelve but through Sweeney's commentary they stand together as a single clearly defined book among the other prophetic books of the Bible The Book of the Twelve Prophets is a multifaceted literary composition that functions simultaneously in all Jewish and Christian versions of the Bible as a single prophetic book and as a collection of twelve individual prophetic books Each of the twelve individual books Hosea Joel Amos Obadiah Jonah Micah Nahum Habakkuk Zephaniah Haggai Zechariah and Malachi begins with its own narrative introduction that identifies the prophet and provides details concerning the historical setting and literary characteristics In this manner each book is clearly distinguished from the others within the overall framework of the Twelve By employing a combination of literary methodologies such as reader response criticism canonical criticism and structural form criticism Sweeney establishes the literary structure of the Book of the Twelve as a whole and of each book with their respective ideological or theological perspectives An introductory chapter orients readers to questions posed by reading the Book of the Twelve as a coherent piece of literature and to a literary overview of the Twelve Sweeney then treats each of the twelve individual prophetic books in the order of the Masoretic canon providing a discussion of each one's structure theme and outlook This is followed by a detailed literary discussion of the textual units that comprise the book [Twelve Prophets: Hosea, Joel, Amos, Obadiah, and Jonah](#) Peter C. Craigie, 1984-01-01 Taken together the Twelve Prophets offer a panoramic view of Israel's religion during one of the most critical periods in the Israelites history Hosea Joel Amos Obadiah and Jonah are the figures considered in this first of Peter C Craigie's two volume work Although differing in substance as well as style these prophetic books are united in their common purpose the declaration of the word of God to the people of God Carrying forward brilliantly the pattern established by Barclay's New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today **The Book of the Twelve Prophets [vol. 1]** Sir George Adam Smith, 1928 [The Expositor's Bible: The Book of the Twelve Prophets, Vol. I](#) George Adam Smith, 2020-08-13 Reproduction of the original The Expositor's Bible The Book of the Twelve Prophets Vol I by George Adam Smith **The Expositor's Bible: The Book of the Twelve Prophets, Vol. 2** George Adam Smith, 2020-08-14 Reproduction of the original The Expositor's Bible The Book of the Twelve Prophets Vol 2 by George Adam Smith *The Twelve Minor Prophets* Carl Friedrich Keil, Franz Delitzsch, 1868 *The twelve minor prophets.*, Carl Friedrich Keil, 1868 **The Book Of The Twelve Prophets** Sir George Adam Smith, 2023-07-18 This classic work of biblical scholarship offers a detailed exploration of the twelve minor prophets of the Old Testament including Hosea Joel Amos and others Sir George Adam Smith was a Scottish theologian and historian and his

The Book of the Twelve Prophets, Commonly Called the Minor, Vol. 1 of 2 (Classic Reprint) George Adam Smith, 2015-07-06 Excerpt from The Book of the Twelve Prophets Commonly Called the Minor Vol 1 of 2 The Prophets to whom this and a following volume are dedicated have to our loss been haunted for centuries by a peddling and an ambiguous title Their Twelve Books are in size smaller than those of the great Three which precede them and doubtless none of their chapters soar so high as the brilliant summits to which we are swept by Isaiah and the Prophet of the Exile But in every other respect they are undeserving of the niggardly name of Minor Two of them Amos and Hosea were the first of all prophecy rising cliff like with a sheer and magnificent originality to a height and a mass sufficient to set after them the trend and slope of the whole prophetic range The Twelve together cover the extent of that range and illustrate the development of prophecy at almost every stage from the eighth century to the fourth Yet even more than in the case of Isaiah or Jeremiah the Church has been content to use a passage here and a passage there leaving the rest of the books to absolute neglect or the almost equal oblivion of routine reading About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
