restricted to as and physical exercises The yogic practices explained by Vivekananda become a way of life and hence lead to the realisation of the absolute *THE YOGA THERAPY HANDBOOK - BOOK ONE, REVISED 2ND EDITION* ROGER MARTIN DAVIS,ADISA M. OMAR,2015-03-27 The long awaited revised 2nd edition of The Yoga Therapy Handbook has arrived It is greatly expanded colorful and much more descriptive than the original edition from 2007 The new version is contained in four distinct volumes Book 1 4 that are being sold separately with an a la cart styling so readers can pick and choose from what works best for them as either a novice beginner or advanced Yoga therapist Perhaps what is most intriguing though about this 2nd edition is that in the interim period the author made a dramatic and controversial decision to embrace Al Islam Accordingly this edition wrestles with those quintessential elements that make a comparative religion flow to this text quite different than any other Yoga therapy book on the market today The author also revives his review of the multicultural expressions as well in both Yoga Science and meditation practices The creative artistic flair of the illustrator Sue Jeong Ka is still woven into the fabric of this text This Fine Artist who is originally from South Korea ROK now lives and works in the USA New York City Surely her talents have expanded since the first edition and we hope with the print edition to follow she add some new illustrations to enliven this text *Living Your Yoga* Judith Hanson Lasater,2016-08-09 If you think that you have to retreat to a cave in the Himalayas to find the enlightenment that yoga promises think again In this second edition of Living Your Yoga Judith Hanson Lasater stretches the meaning of yoga beyond its familiar poses and breathing techniques to include the events of daily life all of them as ways to practice This edition includes three new chapters Relaxation Empathy and Worship a full index and new interior and cover designs Using the time honored wisdom of the Yoga Sutra and the Bhagavad Gita to steer the course she serves up off the mat practices to guide you in deepening your relationships with yourself your family and friends and the world around you Inspiring and practical she blends her heartfelt knowledge of an ancient tradition with her life experiences as a daughter sister partner mother friend and yoga practitioner and teacher The result a new yoga that beckons you to find the spiritual in everyday life
