 Business of Writing for Children was drawn mainly from two sources handouts from the classes and workshops I used to give
 and my articles for Once Upon A Time and the SCBWI Bulletin earlier called the SCBW Bulletin the newsletter of the Society
 of Children s Book Writers and Illustrators In selecting the articles to include in that book I tried to keep a balance among its
 main subject areas writing publishing marketing and to avoid domination by my personal specialties I also chose to omit my
 more controversial articles to make the book more generally accessible Naturally these criteria left out a number of articles I
 considered valuable I m pleased to offer at least some of them now in this second collection I ve also included later articles
 with some brand new ones some of which I ve meant to write for years There s nothing like publishing a book to help you tie
