whiskey at a village distillery on the fabled Mekong river in Laos Two cultures collide when Russian rugby league players invade Wigan and to complete his experiences he was proclaimed Emperor of China **Dust Off the Gold Medal** Sara L. Schwebel,Jocelyn Van Tuyl,2021-08-23 The oldest and most prestigious children s literature award the Newbery Medal has since 1922 been granted annually by the American Library Association to the children s book it deems most distinguished Medal books enjoy an outsized influence on American children s literature figuring perennially on publishers lists on library and bookstore shelves and in school curricula As such they offer a compelling window into the history of US children s literature and publishing as well as into changing societal attitudes about which books are best for America s schoolchildren Yet literary scholars have disproportionately ignored the Medal winners in their research This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s interrogating the disjunction between the books omnipresence and influence on the one hand and the critical silence surrounding them on the other Dust Off the Gold Medal makes a case for closing these scholarly gaps by revealing neglected texts insights into the politics of children s literature prizing and by demonstrating how neglected titles illuminate critical debates currently central to the field of children s literature In particular the essays shed light on the hidden elements of diversity apparent in the neglected Newbery canon while illustrating how the books respond sometimes in quite subtle ways to contemporaneous concerns around race class gender disability nationalism and globalism **Dark Tourism and Place Identity** Leanne White,Elspeth Frew,2013 Dark Tourism including visitation to places such as murder sites battlefields and cemeteries is a growing phenomenon as well as an emergent area of scholarly interest Despite this interest the intersecting domains of dark tourism and place identity have been largely overlooked in the academic literature and this book aims to fill this void The three main themes of Visitor Motivation Destination Management and Place Interpretation are addressed in this book from both a demand and supply perspective by examining a variety of case studies from around the world This edited volume takes the dark tourism discussion to another level by reinforcing the critical intersecting domains of dark tourism and place identity and in particular highlighting the importance of understanding this connection for visitors and destination managers Written by leading academics in the area this stimulating volume of 19 chapters will be valuable reading for postgraduate and advanced undergraduate students in a range of discipline areas researchers and academics interested in dark tourism and other interested stakeholders including those in the tourism industry government bodies and community groups **DK Eyewitness Travel Guide Krakow** DK Travel,2018-01-04 The ideal travel companion full of insider advice on what to see and do plus detailed itineraries and comprehensive maps for exploring this historic and unique city Immerse yourself in Krakow s monument packed Old Town sample authentic Polish cuisine or descend into the amazing underground world of the Wieliczka Salt Mines everything you need to know is clearly laid out within colour coded chapters Discover the best of Krakow with this indispensable travel guide Inside DK Eyewitness
