The Crafty Animator Caroline Ruddell,Paul Ward,2019-04-03 This collection is a study of the value of craft as it can be understood within the study and practice of animation The book reconsiders the position of craft which is often understood as inferior to art with a particular focus on questions of labour in animation production and gendered practices The notion of craft has been widely investigated in a number of areas including art design and textiles but despite the fact that a wide range of animators use craft based techniques the value of craft has not been interrogated in this context until now Seeking to address such a gap in the literature this collection considers the concept of craft through a range of varying case studies Chapters include studies on experimental animation computer animation trauma and memory children s animation and silhouette animation among others The Crafty Animator also goes some way to exploring the relationship craft has with the digital in the context of animation production Through these varied discussions this book problematizes simplistic notions about the value of certain methods and techniques working to create a dialogue between craft and animation **Crafty**

Stephens, 2018-08-06 An epic story of a forgotten hero Scorned by an ungrateful kingdom unfairly blaming him for the demise of their beloved Queen Silurian Mintaka decides he can't fight for his kingdom anymore To re-enter the hostile fray of his peers would probably end up with him killing them all An old man reaches through his darkness convincing him the people's need outweighs his loathing of them Befriending a few eccentric characters along the way Silurian faces a whirlwind of drastic choices that once made may lead to the deaths of those he is entrusted to protect Embarking upon the greatest journey of their lives they travel the uncharted waters of the Niad Ocean not across but beneath on a fool's errand to recover the lost enchantment of his fabled blade *Complete Writings Menno Simons* J. C. Wenger, 2010-08-01 This English edition of Menno Simons' writings contains all the known writings of Menno including several tracts letters and hymns never previously translated The entire contents of this edition were translated from the Dutch by Leonard Verduin of Ann Arbor Michigan and edited by J C Wenger who wrote clarifying introductions to each of Menno's writings This edition represents a faithful English rendering of what Menno taught and wrote in the 16th century The Complete Writings of Menno Simons is issued with the hope that it may serve to strengthen the Mennonite Church in a dynamic Christian life to introduce to the Christian church at large a new vision of discipleship to create in the reader a new loyalty to the Word of God and to recapture the true Christian spirit in this era of secularism *Encyclopedia of Hinduism* Denise Cush, Catherine A. Robinson, Michael York, 2012-08-21 The Encyclopedia of Hinduism contains over 900 entries reflecting recent advances in scholarship which have raised new theoretical and methodological issues as well as identifying new areas of study which have not been addressed previously The debate over the term Hinduism in the light of post Orientalist critiques is just one example of how once standard academic frameworks have been called into question Entries range from 150 word definitions of terms and concepts to 5 000 word in depth investigations of major topics The Encyclopedia covers all aspects of Hinduism but departs from other works in including more ethnographic and contemporary material in contrast to an exclusively textual

and historical approach It includes a broad range of subject matter such as historical developments among them nineteenth and twentieth century reform and revival geographical distribution especially the diaspora major and minor movements philosophies and theologies scriptures deities temples and sacred sites pilgrimages festivals rites of passage worship religious arts sculpture architecture music dance etc religious sciences e g astrology biographies of leading figures local and regional traditions caste and untouchability feminism and women s religion nationalism and the Hindu radical right and new religious movements The history of study and the role of important scholars past and present are also discussed Accessibility to all levels of reader has been a priority and no previous knowledge is assumed However the in depth larger entries and the design of the work in line with the latest scholarly advances means that the volume will be of considerable interest to specialists The whole is cross referenced and bibliographies attach to the larger entries There is a full index **A Change**
