Crash Course on Christian Teaching Christopher Catherwood, Martin H. Manser, 1998 **Going on to Salvation, Revised Edition** Maxie Dunnam, 2010-10-01 The church today desperately needs to recover the depth richness and wonder of the biblical and Wesleyan doctrine of salvation In this book author Maxie Dunnam offers his perspective on how to make this recovery possible Drawing deeply on biblical and Wesleyan sources Dunnam leads his readers on a rich and challenging tour of what it means to say that we are going on to salvation saved by grace Ten well drawn chapters map the full terrain of justifying sanctifying and perfecting grace and mark off those detours that too frequently have confused the way of salvation Each chapter includes questions for personal reflection and group discussion Also included in this revised edition is a new chapter on the timely topic of Calvinism Here is a book about salvation and grace that will itself be a means of grace for congregations and individuals MAXIE DUNNAM is the chancellor of Asbury Theological Seminary the pastor emeritus of Christ United Methodist Church in Memphis Tennessee and the vice chairperson of World Evangelism of the World Methodist Council He is the author of several books including *This Is Christianity* *Alive in Christ* and *The Workbook of Living Prayer* **Bridge-Building Apologetics** Lindsey Medenwaldt, 2024-05-14 Winsome Apologetics Makes for Effective Apologetics As Christians when we take a stand for our faith we want to avoid coming across as overly combative or adversarial While it s important to be uncompromising when we communicate the truth Scripture also calls us to speak the truth with love Bridge Building Apologetics is about establishing caring and compassionate relationships with those whom you desire to reach for Christ In this friendly and helpful resource you will find inspiring examples of relational apologetics from people in the Bible and modern day bridge builders strategies for thoughtful and productive interactions with unbelievers and people of diverse faith backgrounds practical tips for engaging non Christians in relationships and faith centered conversations with real life examples Going beyond merely comparing truth with error this accessible and informative guide shows you how to overcome relational barriers and graciously reach out to those with whom you disagree Even in the face of deep differences these insights and tips will help you will grow in your confidence to engage others effectively with the love of Jesus and the truth of Scripture **How Now Shall We Live?** Charles Colson, Nancy Pearcey, 2011-07-14 2000 Gold Medallion Award winner Christianity is more than a personal relationship with Jesus Christ It is also a worldview that not only answers life s basic questions Where did we come from and who are we What has gone wrong with the world What can we do to fix it but also shows us how we should live as a result of those answers How Now Shall We Live gives Christians the understanding the confidence and the tools to confront the world s bankrupt worldviews and to restore and redeem every aspect of contemporary culture family education ethics work law politics science art music This book will change every Christian who reads it It will change the church in the new millennium Faith Speaking Understanding Kevin J. Vanhoozer, 2014-01-01 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to

a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together

Christian Prophecy Niels Christian Hvidt, 2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his

people onto the right path as the full implementation of God's salvation in Christ is still far away. This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work. **Where'd He Get That?** Margo Ruark, 2010-06-04. With foreword by Rev. Dr. Jane Claypool. A monumental achievement. Every minister in the field will want to have and use a copy right now. The definitive cross reference between *The Science of Mind* by Ernest Holmes and the Holy Bible. With over 750 references to Bible verses, this reference is a must have for ministers, translators, and teachers. Completely revised and updated to include other source references. Compliments existing material on the Allegorical Bible, *Rescuing the Bible from Fundamentalism*, and all entry level classes with the textbook *Speak with the Earth and It Will Teach You*. Daniel Cooperrider, 2022-11-30. I don't think it is enough appreciated how much an outdoor book the Bible is. Wendell Berry and author Daniel Cooperrider illustrates his point with beautiful narrative like a stroll through the woods. *Speak with the Earth* analyzes the Bible's treatment of nature and intersperses this analysis with the author's own reflections on experiences in nature. Organized in sections touching on the four elements, the book engages with the multifaceted relationship between the Bible and nature through various media including art, theology, the natural sciences, history, and lived experience. A timely work on the gift of the Earth that makes a strong case for environmental conservation as a cornerstone of religious life. *Teaching English in Missions*. Jan Edwards Dormer, 2011-06-27. English teaching is common in missions today. However, there has been relatively little discussion on what constitutes effectiveness in English ministries. This book aims to foster such discussion. It first addresses issues of concern in English ministries and then suggests criteria for effectiveness, considerations in teacher preparation, and models for the teaching of English in missions. **Religion, Reform and Modernity in the Eighteenth Century**. Robert G. Ingram, 2007. A new interpretation of English history and religion in the eighteenth century. The eighteenth century has long divided critical opinion. Some contend that it witnessed the birth of the modern world, while others counter that England remained an ancien regime, confessional state. This book takes issue with both positions, arguing that the former overstate the newness of the age and largely misdiagnose the causes of change, while the latter rightly point to the persistence of more traditional modes of thought and behaviour but downplay the era's fundamental uncertainty and misplace the reasons for and the timeline of its passage. The overwhelming catalyst for change is here seen to be war rather than long term social and economic changes. Archbishop Thomas Secker, 1693-1768, the Cranmer or Laud of his age and the hitherto neglected church reforms, he spearheaded, form the particular focus of the book. This is the first full, archivally based study of a crucial but frequently ignored figure. ROBERT G. INGRAM is Assistant Professor at the Department of History, Ohio University. *The New Age Movement and the Biblical Worldview*. John P. Newport, 1998. John Newport delivers a comprehensive study of the impact of New Age beliefs on contemporary culture and on Christianity itself, while also offering an effective biblical antidote to today's worldview crisis. After first surveying the historical development of the New Age worldview from ancient times through important tendencies in nineteenth century

America to recent Far Eastern influences Newport explores in depth eleven key areas of the New Age worldview and contrasts each area of belief with the traditional biblical worldview Laef Blong Mi Sethy John Regenvanu, 2004 In any country's history there are special times that lay foundations or mark directions for the future For Vanuatu the period from 1970 to the end of the century was one such period when the people of Vanuatu freed themselves from the colonial stranglehold of the Anglo French Condominium of the New Hebrides and established the independent Republic of Vanuatu One of the men who took a leading role in that struggle was Sethy John Regenvanu a man Malakula from the small island of Uripiv who was born in the 1940s grew up under Condominium rule studied to be a pastor in the Presbyterian Church and worked in that role during the difficult 1970s as the country made the agonizing transition to independence He represented the New Hebrides Christian Council later Vanuatu Christian Council in the Constitutional Conference was elected to Parliament from Malakula in the key 1979 election and held several ministerial portfolios in various governments over the following 25 years
