full of colorful examples this textbook provides a basic introduction to what art is and can be in the lives of people who do not  
necessarily think of themselves as artists You will be taught about a variety of art themes genres materials and processes  
that appeal to novice art makers The lessons are organized by themes of general subject matter or media Options are  
available for work in mixed media crafts photography and digital media as well as in traditional drawing or painting media  
After picking a theme of particular interest to you look next at the four strands of lessons presented in that thematic unit  
Moving from left to right select one lesson from each consecutive strand and complete that lesson Because each lesson builds

upon previously presented knowledge and developed skill as you progress through four lessons one from each strand you should grow in your understanding of art concepts meanings and processes while also improving your art making skills Completing this course will help you develop a new appreciation for the power and possibilities of art learning by understanding better the art others create as well as making it yourself *25 Literacy-Building Art Activities* Ellen Booth Church,2003-06 Boost early literacy with these creative art activities in a variety of media clay collage paint sand recyclables and more All projects promote essential skills such as phonemic awareness self expression expressive language retelling and more Includes easy how to display ideas and rhyming poems to kick off each lesson For use with Grade PreK K **Art is Fundamental** Eileen S.
