about their new revelation to contradict the credo Constantine himself presided actively guiding the discussion and personally proposed the crucial formula expressing the relationship of Christ to God in the creed issued by the council of one substance with the Father Overawed by the emperor the bishops with two exceptions only signed the creed many of them much against their inclination Henry Chadwick writes in his book titled *The Early Church* Constantine who was the chief architect of the doctrine of the Trinity was not a Christian Constantine like his father worshiped the sun his conversion should not be interpreted as an inward experience of grace It was a military matter Historian Will Durant says Christianity did not destroy paganism it adopted it At a Jesus seminar in America in 1993 it was concluded that 82% of the words ascribed to Jesus in the gospel were not actually spoken by him Britannica 12th edition vol 3 p 643 There you have it from the pens of learned Christian scholars that the present Bible is the work of ordinary men and can never be divine What additional proof could any intelligent person need to disqualify every Bible in existence as the word of God in any language Can any sensible person argue with such irrefutable evidence
