Creating Public Value Strategic Management In Government:

Creating Public Value Mark Harrison Moore, Mark H. Moore, 1995 A summation of 15 years of research on what public sector executives should do to improve the performance of public enterprises Cases are used to illuminate their broader lessons for government managers

Creating Public Value Mark Harrison Moore, 1995 A seminal figure in the field of public management Mark Moore presents his summation of fifteen years of research observation and teaching about what public sector executives should do to improve the performance of public enterprises Useful for both practicing public executives and those who teach them this book explicates some of the richest of several hundred cases used at Harvard's Kennedy School and illuminates their broader lessons for government managers Moore addresses four questions that have long bedeviled public administration What should citizens and their representatives expect and demand from public executives What sources can public managers consult to learn what is valuable for them to produce How should public managers cope with inconsistent and fickle political mandates How can public managers find room to innovate

Public Value John Benington, Mark Moore, 2010-11-30 This text provides a concise and internationalized restatement of the public value approach an assessment of its impact to date in theory and practice and of its particular relevance to the challenges of public management in a time of crisis and austerity

Creating Public Value in Practice John M. Bryson, Barbara C. Crosby, Laura Bloomberg, 2015-02-13 *Creating Public Value in Practice Advancing the Common Good in a Multi Sector Shared Power No One Wholly in Charge* World brings together a stellar cast of thinkers to explore issues of public and cross sector decision making within a framework of democratic civic engagement It offers an integrative approach to understanding and applying the con

Governance Models for Creating Public Value in Open Data Initiatives Manuel Pedro Rodríguez Bolívar, Kelvin Joseph Bwalya, Christopher G. Reddick, 2019-05-07 This book relies on the conceptual model of Open Government OG focusing on transparency and concretely in open data initiatives at the local government context with the aim of improving participation and collaboration Most Open Government models are centered on three pillars transparency participation and collaboration Transparency is a crucial ingredient of OG and applied to data openness means to ensure that the data are well known comprehensible easily accessible and open to all new governance models based on different open data models have not been proposed up to now The chapter authors seek to contribute recent research to the discussion on governance models of open data initiatives to support Open Governments with the aim of creating public value It includes both theoretical and empirical studies on governments models in open data initiatives

Handbook of Public Management Practice and Reform Kuo-Tsai Liou, 2019-09-16 Outlining the origins motivations strategies implementations and effectiveness of reform policies and programs *Handbook of Public Management Practice and Reform* examines changes and challenges in major areas of public administration including budgeting finance human resources and organizational management reviews the lessons of reform and addresses new ideas and emerging issues Discussing the development and

contribution of public administration education research and professional associations the book covers decentralization and deregulation institutional arrangement and support and cooperation between public and nonprofit organizations

Setting Foundations for the Creation of Public Value in Smart Cities Manuel Pedro Rodriguez Bolivar, 2019-02-12 This book seeks to contribute to prior research facing the discussion about public value creation in Smart Cities and the role of governments In the early 21st century the rapid transition to a highly urbanized population has made societies and their governments around the world to be meeting unprecedented challenges regarding key themes such as sustainability new governance models and the creation of networks Also cities today face increasing challenges when it comes to providing advanced digital services to their constituency The use of information and communication technologies usually ICTs and data is thought to rationalize and improve government and have the potential to transform governance and organizational issues These questions link up to the ever evolving concept of Smart Cities In fact the rise of the Smart City and Smart City thinking is a direct response to such challenges as well as providing a means of integrating fast evolving technology into our living environment This focus on the public value creation in Smart Cities could be of interest for academics researchers policy makers public managers international organizations and technical experts involved in and responsible for the governance development and design of Smart Cities

Strategic Management of the Transition to Public Sector Co-Creation Jacob Torfing, Ewan Ferlie, Tina Jukić, Edoardo Ongaro, 2024-04-22 As the practices of public governance are rapidly changing so must the theoretical frameworks for understanding the creation of efficient effective and democratic governance solutions First published as a special issue of Policy Politics journal this book explores the role of strategic management digitalisation and generative platforms in encouraging the co creation of innovative public value outcomes It considers why we must transform the public sector to drive co creation and the importance of integrating different theoretical strands when studying processes barriers and outcomes This book lays out important stepping stones for the development of new research into the ongoing transition to co creation as a mode of governance

Public Value Management, Measurement and Reporting James Guthrie, Giuseppe Marcon, Salvatore Russo, Federica Farneti, 2014-11-07 This volume aims to shed light on how public service value is identified managed measured and reported The chapters cover a range of topics including theoretical reflections practical case studies and empirical observations aimed at understanding the concept of public value

Public Value and Public Administration John M. Bryson, Barbara C. Crosby, Laura Bloomberg, 2015-08-18 Governments and nonprofits exist to create public value Yet what does that mean in theory and practice This new volume brings together key experts in the field to offer unique wide ranging answers From the United States Europe and Australia the contributors focus on the creation meaning measurement and assessment of public value in a world where government nonprofit organizations business and citizens all have roles in the public sphere In so doing they demonstrate the intimate link between ideas of public value and public values and the ways scholars theorize and measure them They also add to ongoing debates over what public value

might mean the nature of the most important public values and how we can practically apply these values The collection concludes with an extensive research and practice agenda conceived to further the field and mainstream its ideas Aimed at scholars students and stakeholders ranging from business and government to nonprofits and activist groups Public Value and Public Administration is an essential blueprint for those interested in creating public value to advance the common good

Strategic Management in the Public Sector Paul Joyce, 2015-02-11 Strategic management is widely seen as essential to the public services leading to better performance and better outcomes for the public In fact the private sector idea of strategic management has become so powerful in the public sector that politicians and policy makers have begun to talk about the importance of the modern state being strategic and we may be witnessing the emergence of the Strategic State Strategic Management for the Public Sector draws on experience and research from a range of countries and provides a theoretical understanding of strategic management that is grounded in the public sector Drawing on the latest theory and research this text provides a fresh look at foresight analysis strategic choice implementation and evaluation This book also offers original and detailed case studies based on up to date evidence from different public sector settings helping the reader to build on their understanding of theories and concepts presented earlier in the book Strategic Management for the Public Sector has been written specially for managers and students taking postgraduate courses such as MBAs and MPAs It will also appeal to individual managers and civil servants in the public sector looking for an accessible book to read as part of their own independent personal development

Government e-Strategic Planning and Management Leonidas G. Anthopoulos, Christopher G. Reddick, 2013-10-05 Various e strategies have been developed since the late 90s in an attempt to describe the governmental vision for administrative and for societal change the objectives and priorities with regard to the development of the Information and Communication Technologies ICT at national and at supranational levels Terms such as the European Information Society the U S Information Highways and the Korean and Chinese Informatization try to describe social transformation that occurs due to the ICT and to determine means with which governments will capitalize the ICT to improve social life and to support economic growth This book focuses on the e strategic management approaches that are followed worldwide addresses the gaps that appear between e strategic updates and presents alternative strategic management methods adopted or to use strategic management methods as a means to describe the e strategic evolution in their geographic areas Each chapter evaluates e strategic management approaches to define multi criteria decision making systems for e strategic transformation and Indicative methods for e strategic analysis This book also illustrates experiences from national and supranational cases which come from different geographic areas regarding e strategic planning and management and demonstrates e strategic initiation and development across different countries and continents and the association between policies and ICT It also seeks to perform a systematic analysis of various representative cases in order to capture the realized e Strategic transformation It will be of interest to scholars and policy makers in public administration

management and information technology Proceedings of the 2023 2nd International Conference on Public Service, Economic Management and Sustainable Development (PESD 2023) Zhikai Wang, Qiuqing Wu, Songsong Liu, Guoliang Wang, Jia Li, 2024-01-09 This is an open access book 2023 2nd International Conference on Public Service Economic Management and Sustainable Development PESD 2023 will be held from Oct 27 to 29 in Xiamen China It dedicates to create a platform for academic communications between specialists and scholars in the fields of Public Service Economic Management and Sustainable Development PESD 2023 is the Public Service Economic Management and Sustainable Development conference aimed at presenting current research being carried out Economic development provides the basic material basis for public services and public services create a good social foundation for economic development At the same time social and economic aspects need to jointly promote sustainable development The idea of the conference is for the scientists scholars engineers and students from Universities all around the world and the industry to present ongoing research activities and hence to foster research relations between the Universities and the industry This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face establish business or research relations and find global partners for future collaboration Strategic Leadership in the Public Sector Paul Joyce, 2016-09-01 In good times and bad in the different situations of renewal crisis and chronic resource constraints the strategic leadership of public services is crucial Good leaders are essential in helping the public sector to adapt and solve wicked problems and they are also integral to the reform and modernization of public governance This new edition of Strategic Leadership in the Public Sector continues to provide insights into useful approaches and techniques for strategic leaders looking at what is expected of leaders competency frameworks leadership theories techniques and processes of strategic leadership leading strategic change the strategic state emerging leadership challenges Replete with real world case studies and examples and including new material from the USA Canada Australia Europe and India plus an appendix with practical worksheets the book gives students a truly international outlook on the subject and offers a clear understanding of the significance of leadership strategic management and public services reform This textbook represents essential reading for postgraduate students on public management degrees and aspiring or current public managers **Public Sector Management in a Globalized World** René Andeßner, Dorothea Greiling, Rick Vogel, 2016-11-23 This volume reflects on the consequences of the increasingly globalized nature of our world for public sector management Globalization has triggered rapid growth in trade global financial transactions and cross country ownership of economic assets The implications of these multifaceted processes for the welfare of today's and tomorrow's societies are unclear What is clear however is that an increasing number of problems are too complex to be tackled solely at the level of national states As a result the size functions and moduli of the public sector in a globalized world are emerging topics in academia and practice **Harmonising Cultural Leadership in Professional Orchestras** Samuel Cairnduff, 2025-10-20 This book interrogates the widespread yet ill defined

use of cultural leadership in strategic plans policies and industry discourse Despite its ubiquity the term lacks clarity and cohesion in both theory and practice Based on fieldwork with 20 artistic and executive leaders *Harmonising Cultural Leadership in Professional Orchestras* uncovers a deeper uncertainty within orchestras about their role in society These tensions between artistic tradition and civic expectation are explored through rich case material and critical analysis The book proposes a new organisational model of cultural leadership centred on purpose alignment authentic social participation and stakeholder value creation Its insights will resonate across the performing arts and cultural sectors The book's central finding is that many orchestras lack internal alignment around their public purpose limiting their capacity to lead with authenticity In response it offers a new conceptual and practical model for organisational cultural leadership distinct in its focus on institutions rather than individuals that contributes original research to arts leadership discourse This is the first in depth study of cultural leadership in Australian orchestras grounded in qualitative research and offering a new model that shifts focus from individuals to institutional practice It provides critical insight for arts managers policymakers and scholars interested in leadership cultural value and the evolving role of major performing arts organisations

Managing for Public Service Performance Peter Leisink, Lotte B. Andersen, Christian B. Jacobsen, Wouter Vandenabeele, 2021 Through a comparative overview of public administration performance in twenty eight EU member states this book takes a critical multidisciplinary approach to address how management can make a meaningful contribution to the performance of public services

Outcome-Based Performance Management in the Public Sector Elio Borgonovi, Eugenio Anessi-Pessina, Carmine Bianchi, 2017-07-17 This book highlights the use of an outcome oriented view of performance to frame and assess the desirability of the effects produced by adopted policies so to allow governments not only to consider effects in the short but also the long run Furthermore it does not only focus on policy from the perspective of a single unit or institution but also under an inter institutional viewpoint This book features theoretical and empirical research on how public organizations have evolved their performance management systems toward outcome measures that may allow one to better deal with wicked problems Today wicked problems characterize most of governmental planning involving social issues These are complex policy problems underlying high risk and uncertainty and a high interdependency among variables affecting them Such problems cannot be clustered within the boundaries of a single organization or referred to specific administrative levels or ministries They are characterized by dynamic complexity involving multi level multi actor and multi sectoral challenges In the last decade a number of countries have started to develop new approaches that may enable to improve cohesion to effectively deal with wicked problems The chapters in this book showcase these approaches which encourage the adoption of more flexible and pervasive governmental systems to overcome such complex problems Outcome Based Performance Management in the Public Sector is divided into five parts Part 1 aims at shedding light on problems and issues implied in the design and implementation of outcome based performance management systems in the public sector Then Part 2 illustrates the

experiences problems and evolving trends in three different countries Scotland USA and Italy towards the adoption of outcome based performance management systems in the public sector Such analyses are conducted at both the national and local government levels The third part of the book frames how outcome based performance management can enhance public governance and inter institutional coordination Part 4 deals with the illustration of challenges and results from different public sector domains Finally the book concludes in Part 5 as it examines innovative methods and tools that may support decision makers in dealing with the challenges of outcome based performance management in the public sector Though the book is specifically focused on a research target it will also be useful to practitioners and master students in public administration

Creating Public Value Strategic Management In Government Introduction

In the digital age, access to information has become easier than ever before. The ability to download Creating Public Value Strategic Management In Government has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Creating Public Value Strategic Management In Government has opened up a world of possibilities. Downloading Creating Public Value Strategic Management In Government provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Creating Public Value Strategic Management In Government has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Creating Public Value Strategic Management In Government. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Creating Public Value Strategic Management In Government. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Creating Public Value Strategic Management In Government, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Creating Public Value Strategic Management In Government has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Creating Public Value Strategic Management In Government Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Creating Public Value Strategic Management In Government is one of the best book in our library for free trial. We provide copy of Creating Public Value Strategic Management In Government in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Creating Public Value Strategic Management In Government. Where to download Creating Public Value Strategic Management In Government online for free? Are you looking for Creating Public Value Strategic Management In Government PDF? This is definitely going to save you time and cash in something you should think about.
