inspires them to live their relationships in a spirit of joyful service and with love towards all whom they meet and in a way that enhances renewal and community connections within their parish Each week presents an important facet of Christian living in a style that is easy to follow while at the same time inspirational It all means that hosting this program is within the capacity of anyone who knows a genuine encounter with God and a desire to share his love with others Part three consists of a scripture passage and a brief reflection for each day for the duration of the program It supports the theme of each week It seeks to help people to pray with the help of the scriptures to inspire a new or more personal relationship with Christ and to yield to the mystery of God s loving Then what may have proved to be elusive in the past becomes part of one s own personal story Part three can equally be looked upon as a booklet which stands on its own and which can be used with profound effect as a personal support in recognizing God who is continually searching for them In an easy to read style this book will provide possibilities and sightlines for individuals communities and parishes in their search for authentic freedom renewal and community
