children's creativity while being realistic and suitable to local preschools as well as aligned with the expectations, values and norms of traditional Asian societies. The chapters are primarily oriented to practice and also include conceptual and/or theoretical elaborations intended to ground and justify teachers' pedagogical choices. The various chapters also enhance teachers' pedagogical repertoires to benefit children's creative learning experiences in the arts. This edited book serves as a valuable guide for preschool stakeholders in Asia, including teachers and childcare practitioners both pre and in service, school leaders, head teachers, area coordinators, vice principals, principals, teacher educators, curriculum designers, consultants, professional development providers and educational researchers in arts and creativity.

McKenna, 2003-05-14 This book focuses on preservice teachers' experiences in trying to implement a multiple ways of knowing curriculum. It aims to integrate multiple literacies in K-8 classrooms by weaving music, dance, visual arts, popular culture, media, and computer technology with reading and writing lessons **Artsy Toddler Storytimes** Carol Garnett Hopkins, 2013-05-23 For toddlers, every storytime can be a new adventure while art activities are important for developing impulse control, hand-eye coordination, and fine motor dexterity in the hands. Hopkins' new book fuses them together. Designed for children ages 1 to 3 years old, the book's 52 storytimes promote pre-reading skills such as print motivation, vocabulary, and narrative skills. Based on themes familiar to children including bears, bugs, springtime, clothing, and hats, flowers, and gardens, weather, music, pets, transportation, pirates, and many more, each storytime includes a list of books, action songs or rhymes along with their words, a flannelboard experience, plus instruction for two to three art activities. This complete toddler storytime resource also includes an introduction which discusses the differences between art activities and craft activities, a toddler's ability in creating art, and why children this age should be exposed to art activities. Advice for using different art mediums such as food, plus important safety considerations. Pointers on conducting playful yet educational storytimes. Tips for finding inexpensive art materials with a list of recommended supplies to keep on hand. More than 100 drawings, all easy to reproduce and modify. Weblinks to Artsy Helper Sheets, downloadable supplements complete with phrases, tips, and tricks that inform parents and caregivers about the benefits of doing art activities with toddlers. Pick up Hopkins' book and you'll be ready to conduct a storytime within moments **Official Gazette of the United States Patent and Trademark Office**, 2002 Learning to Teach Linda Shalaway, 1998 An essential guide for all teachers.
