**Master Minds: Creativity in Picasso's & Husain's Paintings, Part 4, Mediums & Techniques** Dr. Harpal Sodhi,2020-08-07 Part 4 of the book Master Minds

Creativity in Picasso's and Husain's Paintings deals with Mediums and Techniques in the paintings of these two artists. In the entire book, part 1 to part 5, light has been thrown on Picasso's and Husain's life and paintings. There is an analytical study of their works of art. The significant aspects dealt with in their paintings are creativity, viewed through linear quality, forms, colors, pictorial composition, subject matter, styles, mediums, techniques, similarities, and differences in their works of art. I consider myself to be fortunate to avail the opportunity to journey through a significant part of the life and works of these two great artists. Their contribution to the world of art is exemplary for many future generations.

*Painter IX Creativity*  
 Jeremy Sutton, 2013-07-24  
*Painter IX Creativity* is a comprehensive creative guide to Corel's Painter IX Software. It explains the basics of setting up, understanding, customizing, and applying Painter to create original works, paintings, generating painterly animations, manipulating and transforming photographic images, and constructing evocative photo collage. The projects include advanced techniques and creative strategies. The book gives visual artists, digital designers, multimedia artists, photographers, illustrators, animators, and graphic artists the explanations they need in order to maximize the sophisticated creative Painter tool. The book teaches the artist how to transfer traditional art skills and techniques to the computer. It teaches the animator how to add painterly effects to their work, whether for video, TV, or the web. It explains how photographers can transform and collage their images with natural media tools. For Adobe Photoshop users, this book explains the expanded creative potential Painter lends to their work. The author takes a knowledgeable and straightforward approach to this step-by-step, project-based book, explaining how each tool is used, every effect achieved, and every topic thoroughly described. The book allows readers to build upon their knowledge so that beginners have the chance to become advanced users, and advanced users have an opportunity to hone their skills and adopt new techniques.
