a gnostic view of the world and the reason for life As always we encourage the reader to take what you like and leave the rest behind No single work can fully capture this enormous topic We simply offer this book as a resting point in your lifelong search Our goal and hopefully yours too is to stimulate your mind to seek God however you wish We don t intend to replace your belief system Rather we only hope to expand your view to include areas not yet explored Each person will find and understand God in their own way This book offers one path among billions to find God     **Blessings from the Other Side** Sylvia Browne,Lindsay Harrison,2000     **Blessings From the Other Side** Sylvia Browne,2000     The Other Side of Reality Michael Jordan,2008-03 Written by a ex addict during and after his release from state prison A very strong recovery book it is the third in my addiction series The heart of an addict The soul of Desire and The Other Side of Reality The three things that must be healed to change and become what the Lord intends for us to be The truth is constantly being altered in order to fit our desires The heart and soul unite and together they battle our worst enemy our mind We must learn to battle this old nemesis with all we are The poems inside this book tells of one mans struggle with addiction and how it lead him to prison It is a powerful book full of wisdom and joy If your seeking to learn about addiction I urge you to read this book This book is spiritually motivated     **Get over it** Leslie Sharon Geuze,2021-06-27 YOUR SUCCES YOUR PROGRESS YOUR LIFE DOESN T END WITH FAILURE This year has been yet one of the most challenging one for the nation and our generation While my focus was initially on pursuing my Pursuit of freedom in God God decided it wasn t time yet and we switched gears I ve been faced with failure on different levels Head on at home Head on at work Family members friends and people I didn t even know like that It triggered a concern a desire and that was my cue to do something about it A time of prayer meditation healing and communication Here s is where it started GET OVER IT A book that exposes the truth behind failure your definition of failure and how to overcome your fear of failure Don t back out now but arise It is your time to shine     **The Whole Works** Robert Leighton,1820     **A complete Concordance to the Holy Scriptures of the Old and New Testaments** Alexander Cruden,1806     **The Blessing and the Curse** Jeff S. Anderson,2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson s The Blessing and the Curse applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church     **The Whole Works of Robert Leighton** Robert Leighton,George
