MTD Comics Michael Dillard, Welcome to my universes here you will read eight exciting stories All characters within the MTD Comics universe either good or evil Blend of action adventure horror romance and fantasy Long stories to short ones you will be amazed By all means kick your feet up and get your read on peace always *Foundation ActionScript for Macromedia Flash MX* Ben Renow-Clarke, Sham Bhargal, 2013-11-11 With the release of Flash MX scripting in Flash moved from being a desirable asset to an essential skill in the world of web design ActionScript is quite simply the center of power in Flash and it's no surprise that most of the advances in Flash MX are script centric Flash is a design tool and ActionScript can easily scare designers This book is for anyone who has ever looked in awe at a cutting edge Flash site then taken a look at some code and run in the other direction Learning ActionScript with friends of ED will not turn you into a boring programmer it will turn you into someone who finally has the power to achieve what they want with their web design This book will take you from knowing nothing about ActionScript to a firm knowledge that will allow you to exercise a previously unimaginable amount of power over your flash movies It does this with fully worked examples throughout and a case study that will leave you with a cutting edge Flash site by the end of the book The book assumes no previous knowledge of code or ActionScript but does assume that you know the basics of the Flash interface and have maybe created some basic timeline based movies with tweens and so on If you're totally new to Flash then you might want to take a look at friends of ED's acclaimed *Foundation Flash MX* or at the more visually oriented *Flash MX Express* This is no simple re-write of the first edition of *iFoundation ActionScript* *Foundation ActionScript for Flash 8* Kristian Besley, Sham Bhargal, Eric Dolecki, David Powers, 2006-12-06 ActionScript is the native scripting language of Flash ActionScript knowledge is essential within the

world of Flash design and development as Flash remains a leading tool for cutting edge interactive design and development. ActionScript is what gives Flash its power but with that power comes a certain level of complexity which can be intimidating. This beginners book significantly updated since the last edition covers all of the basics of ActionScript using version 8 of Flash. The skills acquired by working through this book will enable you to move on to more advanced friends of ED books such as Foundation PHP 5 for Flash, Foundation ActionScript Animation or Foundation XML for Flash. This book contains all you need to understand and make use of ActionScript and to have some fun while learning. The Foundation series teaching style is ideal if you're a non-programmer who wants to learn Flash programming quickly and thoroughly. The authors teach the basics and provide an all-around proficiency in ActionScript as well as Flash components within Flash 8. You'll gain the practical skills to build ActionScript based Flash projects including making initial design decisions, structuring code and testing. An ongoing case study means that by the end of the book you'll have constructed a cutting edge Flash site to showcase your newly learned skills.
