**The Gift of Misfortune** Joseph P. Policape, 2009-07-07 Summary THE GIFT OF MISFORTUNE CHRONICLES THE STORY OF A YOUNG HAITIAN IMMIGRANT TORN BETWEEN HIS NATIVE LAND WHICH HE LOVES UNCONDITIONALLY AND AN ADOPTED COUNTRY THAT HE FALLS IN LOVE WITH AT FIRST SIGHT. However, once he reluctantly arrives in his new country in spite of himself, he loves it, but three major obstacles surface that alter his attitudes and eventually his life: his natural kinship with the Christian notion of poverty and wealth, his encounter with his adopted father friend Thomas who is very critical of America and the most important obstacle that makes him change his attitude about American culture and democracy, his malevolent and greedy wife Monica. Politics, religion, fear, deception, greed, courage, and revelation all come to play in the journey of Armand who brings a willing sister to the United States while his heart and soul is still in Haiti. During Haiti's most turbulent recent times, Armand and sister Deborah become concerned about the chaos that is claiming the streets of Port au Prince. The fear, violence, murder, and hopelessness were affecting not only the poor and desperate but the wealthy and desperate as well. Deborah wants to go, and so one morning she wakes up in her comfortable house. After hearing another story of one of her friends put to death because they will not join the military of Baby Doc Jean Claude Duvalier, she wants to go out of Haiti as both patriot and citizen. Deborah cannot go anywhere without her brother Armand, and though he too is frightened, he feels that he can't leave Haiti. They are not involved in politics but are

religious Armand fundamentalist Protestant and Deborah traditional Catholic They are still thrust into the politics of the country They attend the finest school in Haiti and they attend this school with the country s elite who are pro Duvalier With warring factions violence spurting all around them certain friends disappearing overnight never to return and some friends demanding them to choose between their neutral political life and the need for them to get involved in the Duvalier government and concerns for Deborah s freedom since an important Duvalier official might want Deborah for his son they hatch a plan to escape to the United States of America In the beginning it is Deborah and not Armand who wanted to abandon Haiti but Armand has to go to protect his sister and make sure she got there safely After making a careful trip to Bainet to get money from their very wealthy parents they leave for the United States of America Armand leaves with a heavy heart because unlike Deborah he wanted to stay in Haiti to do religious work which would end up looking like political work since Armand has a close connection and passion for the poor But because of family and tradition Deborah becomes the major priority Armand starts a whole new journey when he gets on that plane to the United States and lands in New York City where his relatives and friends are awaiting him and Deborah In New York City he is immediately thrown into a quandary Though he misses Haiti he excitingly falls in love with the United States and New York City On his beginning U S journey he is introduced to the two most important people in his life and the two most important characters in the novel Also he is introduced to two of the most important persons he met in his life in the United States Thomas a radical Christian socialist who constantly places the United States into the glaring light of expectation and reality and compels Armand to go beyond his strict religious beliefs to uncover deeper truth about a society that worships the material greed and the other person is Monica a young woman of questionable reputation but has sterling charm a charm that in spite of all of the warning of Armand s family and church friends got Armand to marry her The novel unfolds with these two polar opposite ch

Contemporary Family Law Susan S. M. Edwards,Judith Bray,2025-01-21 Taking a fresh and modern approach Contemporary Family Law Principles and Practice gives students all the information they need to develop a

clear understanding of this fascinating area of the law. Covering the very latest developments in family law, each chapter uses contemporary cases as a window to introducing core legal concepts, principles, and developments, emphasising the dynamism and evolving nature of family law in which practitioners, campaigners, law reformers, and students all play their part. Key features include: Developments in family law are considered not only from a vantage point of judicial decision making but also from the perspective of the contribution made by solicitors, barristers, and experts. This encourages students to develop a sense of their own potential agency when, as future practitioners, they represent their clients and engage in law reform. In considering legal argument and case determination, the book places equality front and centre, including access to justice. Each chapter provides further reading with online links and URLs and a set of self-test questions, including problem scenarios and discursive essay questions. Each form of assessment reflects the levels of educational attainment and mirrors testing techniques relevant to academic examination and legal professional and vocational practice courses. This uniquely contemporary textbook will be essential reading for all students of family law.

[The Evolution of Intimacy : A Personal Story](#) Karren Kae Kearney, 2019-05-27. Life is one small, unexpected journey at a time moving us towards a destiny we could never imagine. [The Evolution of Intimacy : A Personal Story](#) is one such journey. The book is an account of taking a leap of faith with a chance online meeting on a dating site in October and moving in together in December, having only met once. The book details the results of following one's intuition and heart and moving over three hundred miles to create a new life. It's a story showing how, against all odds, faith and trust changed the fate of two unsuspecting people. It touches on difficult issues of love, marriages, divorces, death, adult children, his and hers ex-spouses, couples counseling, health, finances, and everything in between. The book offers hope, insights, and inspiration for anyone struggling with or in a dysfunctional relationship or was raised in an alcoholic environment or is an alcoholic, an addict, a compulsive over-eater, or food addict, a sex and love addict, co-dependent, or in a relationship with anyone with an addiction or mental illness. I hope you find the story as inspirational as I did living it.
