Blood Hostages:

Diplomats & Terrorists - Or: How I Survived a 61-day Cocktail Party Diego Asencio, 2011-07-28 American Ambassador Diego Asencio bravely reconstructs his 61 days of captivity in Bogota Colombia The siege takes place at the Dominican Republic Embassy and is carried out by Colombia's revolutionary M19 guerrilla organization This book is a rare look at how the captive diplomats played a large role in securing freedom It is also testimony that given time and effort the honest practice of conflict resolution can bring positive results It is a small miracle that only one person died during this epic takeover Much credit must be given to the diplomats in captivity Ambassador Asencio is a polished writer and does an outstanding job of objectively describing the highs and lows of his days as a hostage Russia is the blood enemy of Ukraine. The true history of Ukraine and Russia from the 2nd century BC. not distorted by Russian propaganda.

Nashchubskiy, 2024-04-13 This historical book reveals the secrets of the past casting light on the dark corners of the relationship between Ukraine and Russia It unfolds a large scale picture of an age old relationship shedding light on the tragic events and indescribable feats of both nations As we travel through time we will discover that the history of these two peoples is intertwined with threads of complex events dating back to ancient times Each page of the book reveals not only the fascinating drama of historical vicissitudes but also pronounced features of national character that shape the fate of peoples This deep dive into the past opens eyes to the true causes of much of Ukraine's suffering revealing complex knots of political and cultural influences from Russia But at the same time it offers a new perspective on the relationship between these peoples calling for understanding and healing of historical wounds This historical book is a ruthless expose of Russia as the root of all Ukraine's ills I will tear the covers off the centuries old lies and manipulations of the Kremlin I will prove that every historical tragedy in Ukraine has roots in Russian influence From ancient times to modern times we will look at the shocking truth hidden from us and see the real face of Russia as the main aggressor and oppressor of Ukraine This is a guide to the true history of the two peoples which will convince you to rethink the shared history of these countries **Hostage at**

the Table George Kohlrieser, 2006-06-16 George Kohlrieser an international leadership professor consultant and veteran hostage negotiator explains that it is only by openly facing conflict that we can truly progress through the most difficult business challenges In this provocative book he reveals how the proven techniques and psychological insights used in hostage negotiation can be applied successfully to any personal or business relationship Step by step he outlines the seven key factors that anyone can use to remove the blocks that stand in the way of resolving tough problems and shows how business leaders in particular can develop and access the skills they need to create trust and a positive mind set in their companies **Blood, Oil, and Power** M H Woodhouse, 2012-10 The story starts in a small African country Nizimba With the

discovery of oil the country becomes a pawn in the schemes of the major global forces USA China and Islamic fundamentalists all trying to gain control of Nizimba to add to their efforts to dominate the world energy supply This struggle

spreads to Nizimba's neighbours and military action comes from the different sides. Inevitably in this montage of human relationships and power struggles we encounter many torrid sexual liaisons between the individuals. We now move to the wider global picture showing the USA and China struggling to gain in the race for the future energy supplies and the pan-Islamic forces using the oil struggle as a vehicle for the spread of their religious doctrine. Having been outmaneuvered by the Islamic strategists and China, the USA retires back to its 19th-century isolationism and the alliance enjoys a period of control over the major portion of the world's oil supply. Still the Arabian peninsular oil fields are controlled by the western oil companies. Israel takes advantage of the Muslim's self-confidence to launch major attacks improving the chances of their future survival.

Fake Hero Lucas Flint, 2022-11-30 Fake superheroes Real comedy Doctor Mind has it made. Having spent the last three years using a combination of alien technology and clever stage magic to fool the people of Freedom City into thinking he's a legitimate superhero including hiring his failed actor brother to play his supervillains, Doctor Mind thinks he's set for life. Until a real supervillain, the dangerous but quirky Death Skull the Murderer shows up and threatens to destroy the entire city in a month unless Doctor Mind defeats him in a fight. Ostracized from the mainstream superhero community for his scammy business, Doctor Mind must recruit and train a team of superhero rejects including a Canadian lumberjack with a personal vendetta against trees, a washed-out sidekick who looks like a baby despite being an adult, and a woman with more brawn than brains to become real superheroes and save his city from Death Skull. Assuming they don't kill each other first.

T.K. Tagin T.K. Tagin, 2025-08-05 The Aching Mori massacre remains a grim testament to the suffering and resistance of the Tagin community against systemic oppression. Rooted in forced donations and the exploitative Jorimona system during Kebang indigenous tribes endured harsh subjugation under colonial expeditions that masked exploitation as governance. These operations employed violence, cultural erasure, and forced labor to dismantle tribal identity. In response, the Tagins resisted fiercely, not merely to survive but to defend their dignity and heritage. The massacre that followed was a brutal act of repression aimed at silencing defiance through terror. Yet this tragedy became a symbol of unyielding resistance, inspiring future movements and asserting the people's right to self-determination. Though soaked in sorrow, the Aching Mori massacre embodies the strength and resilience of a community that refused to be erased. By remembering their struggle, we honor their legacy and keep alive the spirit of justice, resistance, and hope for future generations.

The Voyage of the Forgotten Nick Martell, 2022-11 Michael Kingman has discovered his destiny, but the distance to what he wants, namely a life with Serena, the queen of Hollow Kingdom, is as wide as the world and just as cruel. Michael comes to realize that he is

outclassed by powers that have been working for centuries to bring about a fresh end to the world To prevent what may bring about the end times Michael must gather his remaining allies and push himself to achieve the impossible because the alternative is worse than he can imagine

Prisoners in War Sibylle Scheipers, 2010-02-25 The issue of prisoners in war is a highly timely topic that has received much attention from both scholars and practitioners since the start of the military operations in Afghanistan and Iraq and the ensuing legal and political problems concerning detainees in those conflicts This book analyses these contemporary problems and challenges against the background of their historical development It provides a multidisciplinary yet highly coherent perspective on the historical trajectory of legal and ethical norms in this field by integrating the historical analysis of war with a study of the emergence of the modern legal regime of prisoners in war In doing so it provides the first comprehensive study of prisoners detainees and internees in war covering a broad range of both regular and irregular wars from the crusades to contemporary counterinsurgency campaigns The book revolves around two major developments First there has been a continuous increase in the political relevance of prisoners in war in particular since the emergence of POW camps in the nineteenth century Secondly and related the growth in the legal regime pertaining to prisoners had contradictory consequences Whilst it enhanced the protection of prisoners in regular conflicts its state centric bias tends to exclude combatants who do not fit the template of regular inter state war Detainees in the war on terror embody both tendencies the development of which however is by no means a novel phenomenon This book is a project of the Oxford Leverhulme Programme on the Changing Character of War
