Blood Of A Paper Doll Poetry:

Blood of a Paper Doll Carla Vendries, 2003-01-22 Through this account of one girl's battle with depression and euphoria she learns the key to not allowing the self to be wrapped up by the machine is to crush certain ideologies and conventions that say behavior needs to be labeled. Self indulgence creates an emotional life perpetually spent inside an isolated dark wave but in this book she ultimately learns slowly but gradually that every thing that nourishes you also destroys you. These disturbingly pretty poems are about undergoing an emotional state of metamorphosis and the acceptance of them. Through a psyche fragmented by circumstances beyond control traveling on an edgeless encompassing path eventually leads to a beautiful spiritual catharsis. The extremities of life succumb to a deep exploration of sex love separation and death. Surrendering to intimacy and relationships serves as the band aid to the wound that could not yield from bleeding. It is human nature for self destruction to take hold of the world nevertheless with it also follows the beginning of an age of paradisiacal happiness beyond belief. By crushing the machine causing unnecessary poignancy in the heart. It is how renouncing certain dangers in reality she transcends from one state to a more mysterious one. In the end strength and courage are given birth to and it endures inside a woman who still feels her warm blood flowing through what appeared seemingly as a tailored cut out of a non resonant paper doll inside an anechoic mental chamber. Orotund tones in grandiloquent rise espouse the stygian collapse of the bloody paper doll. The obstacle staircase of liberal poems mirrors society outside the walls.

Gender Studies Judith Spector, 1986 The essays in Gender Studies explore relationships between gender and creativity identity and genre within the context of literary analysis. Some of the essays are psychoanalytic in approach in that they seek to discover the sexual dynamic s involved in the creation of literature as an art form. Still others attempt to isolate and examine the sexual attitudes inherent in the works of particular authors or genres or to determine how writers explore the sensibilities of each gender.

Crumpled Paper Dolls Matthew Nolan, 2004-09 In Crumpled Paper Dolls A New Orleans Poet a book of poetry prose and journals Matthew Nolan ignites our senses depicts the world without filters demands examination and self reflection. With the vivid imagery of words he holds a mirror to our face and makes us see all we hide away. This at first seems like a distortion but is really an honesty that makes us uncomfortable. Nolan's journals chronicle the struggle of a man pursuing his dream in a world of trials and a mind of dark shadows. In Nolan's writing nothing is good or bad. It just is. His writing takes us to a place we don't want to talk about but now may be willing to discuss.
