**Blood on the Page** Lizzy Attree, 2010-03-08 The fourteen interviews in this book form an unprecedented wealth of material on authors responses to HIV AIDS in South Africa and Zimbabwe They comprise a valuable archive which documents and contextualises the variety of views and opinions of different authors on their often ground breaking choices in writing about HIV AIDS Each author ranks among the first to publish fiction on HIV AIDS in their respective countries These interviews are of particular merit as these issues have not been discussed at length with any of the authors before Collectively they offer a unique range of approaches and opinions in response to the HIV AIDS pandemic in southern Africa Their significance lies in their specific literary as well as their broader social cultural and political perspectives on a disease which continues to spread despite extensive NGO medical and government intervention In both South Africa and Zimbabwe government responses have failed to address the urgent need for new political and economic solutions to the challenge of HIV infection Responses among the population have varied from widespread silence shame and fear to political activism and outspoken critiques of government inaction Writers give voice to this silence and contextualise the disparate reactions amongst diverse peoples Globally AIDS killed approximately 2 million in 2008 In 1998 AIDS was the largest killer in southern Africa nearly double the one million deaths from malaria and eight times the 209 000 deaths from tuberculosis It has long been the case that of those dying globally of AIDS the majority live in southern Africa When the associated social and cultural implications of infection with HIV are considered fictional representations contribute significantly to our understanding of the impact of HIV AIDS on communities and individuals and provide a much needed basis for humanising an epidemic which is unimaginable statistically It has been said that the feelings and reactions that HIV AIDS inspires are often too unreal for words and it is this very notion that certain diseases are taboo unmentionable and hardly even named as such that makes verbalisation of this epidemic a modern imperative

*The Garden Tender's Cats* L.A. Lockhart,2025-05-09 When the widow Miriam Wheatley finds her dream home nestled in the woodland outskirts of the quaint town of Belliford Virginia all she wants is to buy the property as quickly as possible The ghosts of her deceased husband s life as an FBI agent have haunted her long enough She s ready to settle down somewhere quiet and the property s neglected gardens and feral kittens offer her the perfect peaceful project to dedicate her retirement to But as she wanders the property on her own her dreams of paws and petals are shattered by the peal of a rifle Who fired the shot Was it just an honest hunter as her real estate agent insists Or was someone trying to scare her away What is really hiding in the locked cellar and shed of the Sherwood estate The wisest thing would be for Miriam to leave Belliford and its secrets behind Clearly this quiet town is not what it appears to be and any timid gentle lady would not be able to unearth its secrets unscathed Thankfully Miriam is not what she appears to be either Beneath her soft smile she is a survivor with the persistence courage and compassion to see her through any adversity Miriam will not let herself be scared away She has found what she wants and no amount of fear or trickery will keep her from it So begins Miriam s journey through the dark currents of thievery fraud murder and betrayal that lurk beneath the Sherwood estate Yet as she discovers treasures in the dark will Miriam be able to resist her own voice of greed within Or will she simply be the latest caretaker to fall victim to the estate s suffocating weeds of deadly desire

One of the significant advantages of Blood Tender books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes.
