Blood Of The Land:

Perspectives on Purity and Purification in the Bible Baruch J. Schwartz, 2008-06-01 This book is a collection of essays on purification and atonement in the Hebrew Bible that provides new insights into the discussion of these ideas by looking at the values of sociological and anthropological approaches to the topics The collection also examines multivalence and polyvalence in ritual and asks to what extent it is possible to speak of the function or meaning of ritual even within the highly systematic priestly texts

The Hatchet's Blood Marc R. Schloss, 1992-11 The ritual complexes of the Ehing a farming people of southern Senegal embody an elaborate set of prohibitions on social behavior and prescribe the general rules of Ehing social organization Power is distributed and maintained in Ehing culture by the concept of Odieng hatchet which as a spirit acts upon human beings much as an ax does upon a tree falling from above to punish its victims for transgression Marc Schloss's ethnography of the Ehing is a study of the meaning of Odieng's power explaining why its rules are so essential to the Ehing way of life

Of Blood, Earth, and Magic A.A. Chamberlynn, 2019-10-08 She's got a secret that could get her killed but claiming her truth is the only thing that will save her realm There was a time when the Tribes lived in harmony Sun Moon even the fabled Shadow Tribe That time is no longer Now the land has become a wicked wasteland plagued by strange creatures enchanted storms and bubbles of trapped time remnants of the Shaman Wars Magic has been outlawed by the Sun the Moon have gone into seclusion and the Shadow are all but annihilated with threat of death hanging over any who step foot within the realm This is Iamar For Elea the idea of peace between the tribes is a nothing more than a legend from the history books She works for a circus of outcasts who travel between the Sun cities All she wants is freedom from the circus to perform her magic to be herself But she possesses a deadly secret that makes any chance of liberty impossible Ashe is a spoiled Sun boy heir to one of the seven Sun cities He rebels against his overprotective father by competing in illegal fights Like most Sun he believes that science is the future and he's never traveled outside the walls of his city due to the dangers that lie beyond When a new kind of evil begins to terrorize the land Elea and Ashe find themselves thrown into the center of a coup that could destroy Iamar To fight the enemy the Sun and Moon must unite something that hasn't been done in three hundred years But first they must find the Moon Tribe and that means crossing Iamar which grows more and more unstable as the dark magic spreads Dark magic which has everything to do with Elea and her terrible secret

The Chinese Sisters of the Precious Blood and the Evolution of the Catholic Church Cindy Yik-yi Chu, 2016-11-09 This book traces the origins of the Chinese Sisters of the Precious Blood in Hong Kong and their history up to the early 1970s and contributes to the neglected area of Chinese Catholic women in the history of the Chinese Catholic Church It studies the

growth of an indigenous community of Chinese sisters who acquired a formal status in the local and universal Catholic Church and the challenge of identifying Chinese Catholic women in studies dealing with the Chinese Church in the first half of the twentieth century as these women remained faceless and nameless in contrast to their Catholic male counterparts of the period Emphasizing the intertwining histories of the Hong Kong Church the churches in China and the Roman Catholic Church it demonstrates how the history of the Precious Blood Congregation throws light on the formation and development of indigenous groups of sisters in contemporary China **Blood Revenge** Joseph Ginat,2013-09-01 Covers blood homicide and outcasting in Bedouin and rural Arab society in Israel This edition includes material on the Mebasha a Bedouin legal judge who determines whether an individual speaks the truth by an ordeal by fire licking a very hot spoon and inspecting the tongue for blisters *Ancient Laws and Institutes of Wales* Aneurin Owen,1841 Barbs, Bullets, and Blood Harold D.
