But God Cheryl David,2012-11-15 The bible tells us that faith is the substance of things hoped for the evidence of things unseen However as believers when faced with adverse circumstances we waiver in faith during the waiting period and although we wont readily admit it we doubt Gods ability to step in and change what seems impossible to possible Scripture reminds us that God is the ultimate supreme ruler We have evidence scriptural personal and otherwise where indeed He has made a way where there previously seemed to be only obstacles barriers and mountains But yet when going through periods of adversity testing or challenge we forget We cave in under the pressures and like Peter we begin to sink Peter defied laws of gravity and successfully walked on water for the time when his eyes were completely fixed on Jesus The moment he looked down at the reality of his circumstances he began to experience natural rather than spiritual results and sank This book is a reminder that in spite of what we are going through our eyes are to remain fixed on our God There are real people who have been healed of all types of terminal diseases There are marriages that were considered irreparable which have been restored women who were diagnosed as being barren have gone on to bear healthy children and there are children who were labeled as educable mentally retarded who have grown up to achieve and succeed academically and otherwise Does your situation seem hopeless Are you about to give up on your children marriage or search for a job Who has the final say Is it man is it your circumstance or is it God Man may make
