murderous plans of a relatively small number among the Nazi elite and of how those plans could never have been realized on the same scale without the diligent cooperation of these generally very ordinary administrators As Fulbrook shows men like Klausas knew and yet mostly suppressed this knowledge performing their day jobs without apparent recognition of their own role in the system or any sense of personal wrongdoing or remorse either before or after 1945 This account is no ordinary historical reconstruction For Fulbrook did not discover Udo Klausas amongst the archives She has known the Klausas family all her life She had no inkling of her subjects true role in the Third Reich until a few years ago a discovery that led directly to this inescapably personal professional history Bloodstains and Candy Canes Marla A. The Blood Stain Kayla N. Dempsey,2013-03-29 Ever since my best friend found out what I was she has been too scared to get near me No matter how much I try to explain to her She just will not listen No one will I never meant for her to find out it just kind of happened She walked in on me right after I had attacked a squirrel and was sucking its blood I turned and saw her standing there I felt the warm blood running down my chin She turned and ran I don t think she has told anyone No one has asked me anything I think she fears people will say she has gone crazy That vampires are not real But she saw me she knows the truth No one can change her mind But I am not the type of vampire that attacks people I just attack small animals But I can t deny that sometimes I am tempted but I never attack Most vampires do attack humans but that s the bad kind Well anyway there s a new kid at school his name is Ryan He s supposed to come to my school tomorrow which is the first day for everyone else too I just hope he isn t one of the preppy kind of guys I hate them They think they re so perfect and better than everyone else I would love to teach them a lesson but I don t want everyone to know I am a vampire Everyone believes the preps No matter what they say But still it would be good for them to see how it feels to be on the other end of the food chain Then maybe they d cut out the stupid stuff they do like embarrassing people for their entertainment Anyway as I was saying I hope this Ryan kid isn t like that Maybe he is a vampire too maybe I will finally have someone who understands I mean I haven t told anyone about my being a vampire not even my parents The only person that knows is Karla my best friend I mentioned earlier and that s it I don t want anyone else to know I never wanted Karla to know but you can t change what s already happened can you Plus maybe this happened for a reason maybe Karla was supposed to know Maybe she could help me If she ever talked to me again I mean if she hadn t told anyone maybe she was trying to protect me trying to make sure nobody else found out like a true friend She found out a couple months ago I m sure the shock must wear off sometime I hope Maybe since tomorrow was the first day of school she would talk to me again She might have thought about it over the summer and realized I need her now more than ever I would find out if Karla

is still my friend and if this Ryan kid was what I hoped he was tomorrow I had a weird feeling that I was right about the new kid being a vampire and an even weirder feeling that I was going to like it Or maybe the weird feeling was just a desire to have a friend who was exactly like me in every way Someone who knows what it s like to have this annoying thirst for blood that makes everyone who knows afraid to come too close And everyone who knows doesn t want to be friends with you anymore because they think you are a killer
