Bloody Hills:

BLOODY HILLS Amadou Deme, 2018-08-17 His childhood days were as smooth as butter The only twist and turn came when his father a prominent figure lost his life and power due to certain misconceptions The bloody massacres acted as the U turn of his life Loosing his near and dear ones turned him into a figure as hard as rock Even though he and his three siblings survived the hammer stroke but the stroke felt even harder when he was separated away from them for his entire life The rock could realize the other side of his mindset only when he met his soulmate Meeting her he could realize the emotions which were still alive somewhere deep inside him Struggling between the emotional and responsible situations he would find a way out to achieve what he had desired since childhood He would make ways to meet his siblings as well but the actual turn would come at the end when there would be an optional situation He would have to choose from within but that too the choices were lop sided

Blood in the Hills Charles W. Sasser, Robert Maras, 2017-04-01 A soldier s eye view of Vietnam s fiercest close quarters battle upon its 50th anniversary Khe Sanh s Hill Fights of 1967 as experienced by co author Bobby Maras and told in this hour by hour day by day account were carnage on the ground much of it hand to hand fighting in the dark Thanks to the brave Marines of the 9th and 3rd Khe Sanh survived the first concentrated attack by the North Vietnamese to invade the South After the Hill Fights American forces pulled back and held out against constant enemy shelling and frequent attacks until the siege was broken Combining Maras personal experiences with the war s bigger picture Blood in the Hills honors the heroic actions of our soldiers and shows how Khe Sanh was microcosm of the entire Vietnam War

Death in the Hills Charles Alan Green, 2023-06-29 1937 dawned over the golden sun kissed lands of Spain upon a divided country and a vicious and bloody Civil War The war had originally begun as a simple military coup back in mid July of the previous year At first it looked as though it would carry the day but due to the early up rising in the Spanish protectorate of Morocco the timing of the revolt on the mainland was thrown into disarray and due to this certain areas didn t commence their planned revolts at the designated time In particular the major cities of Barcelona and Madrid were both critically effected by the timing of these events and the whole of the 18th July was spent in inactivity It was this delay to the originally planned timetable that enabled the republican government but more importantly especially in Barcelona the unions and other forces on the left to organise some sort of resistance It was this fact which meant that they were able to defeat the rebellion in these and several other vital towns and cities By the end of the 20th July after the first two days of the rebellion and bitter fighting throughout the length and breadth of the country the battle lines had been drawn and Spain was a nation split into two basic zones The areas that remained loyal under the control of the government and the rest of Spain which was now under the command of the rebel s or nationalist s as they were to become known , Blood & Breakfast William Stafford, 2016-06-21 When American scholar Cassidy Whitlow arrives in a West Midlands town to complete her thesis on the psychology of murder she finds herself caught up in a series of bizarre and grisly deaths Who is responsible The proprietors
