The Amboseli Elephants Cynthia J. Moss,Harvey Croze,Phyllis C. Lee,2011-07-18 Elephants have fascinated humans for millennia Aristotle wrote of them with awe Hannibal used them in warfare and John Donne called the elephant Nature s greatest masterpiece The only harmless great thing Their ivory has been sought after and treasured in most cultures and they have delighted zoo and circus audiences worldwide for centuries But it wasn t until the second half of the twentieth century that people started to take an interest in elephants in the wild and some of the most important studies of these intelligent giants have been conducted at Amboseli National Park in Kenya The Amboseli Elephants is the long awaited summation of what s been learned from the Amboseli Elephant Research Project AERP the longest continuously running elephant research project in the world Cynthia J Moss and Harvey Croze the founders of the AERP and Phyllis C Lee who has been closely involved with the project since 1982 compile more than three decades of uninterrupted study of over 2 500 individual elephants from newborn calves to adult bulls to old matriarchs in their 60s Chapters explore such topics as elephant ecosystems genetics communication social behavior and reproduction as well as exciting new developments from the study of elephant minds and cognition The book closes with a view to the future making important arguments for the ethical treatment of elephants and suggestions to aid in their conservation The most comprehensive account of elephants in their natural environment to date The Amboseli Elephants will be an invaluable resource for scientists conservationists and anyone interested in the lives and loves of these extraordinary creatures

The Mount of Vision Christopher Z. Hobson,2012-10-18 Christopher Z Hobson offers the first in depth study of prophetic traditions in African American religion Drawing on contemporary speeches essays sermons reminiscences and works of theological speculation from 1800 to 1950 he shows how African American prophets shared a belief in a God of the oppressed a God who tested the nation s ability to move toward justice and who showed favor toward struggles for equality The Mount of Vision also examines the conflict between the African American prophets who believed that the nation could one day be redeemed through struggle and those who felt that its hypocrisy and malevolence lay too

deep for redemption Contrary to the prevalent view that black nationalism is the strongest African American justice tradition Hobson argues that the reformatory tradition in prophecy has been most important and constant in the struggle for equality and has sparked a politics of prophetic integrationism spanning most of two centuries Hobson shows too the special role of millennial teaching in sustaining hope for oppressed people and cross fertilizing other prophecy traditions The Mount of Vision incorporates a wide range of biblical scholarship illuminating diverse prophetic traditions as well as recent studies in politics and culture It concludes with an examination of the meaning of African American prophecy today in the time of the first African American presidency the semicentenary of the civil rights movement and the sesquicentennial of the American Civil War paradoxical moments in which our post racial society is still pervaded by injustice and prophecy is not fulfilled but endures as a challenge *Songs of Pilgrimage* Horace Lorenzo Hastings,1886 *Army Life in a Black Regiment* Thomas Wentworth Higginson,1870 **African American Religious History** Milton C.
