**Blue Flower** Sonya Hartnett,2021 Not all cats are tabby Not all trees are tall Not all clouds are white and not all flowers are yellow A beautiful and inspiring story from award winning writer Sonya Hartnett about the discovery that being different can be something wonderful The Blue Flower Henry Van Dyke,1907 *The Blue Flower* Penelope Fitzgerald,1997 In eighteenth century Germany the impetuous student of philosophy who will later gain fame as the Romantic poet Novalis seeks his father s permission to wed his true philosophy a plain simple child named Sophie The attachment shocks his family and friends This brilliant young man betrothed to a twelve year old dullard How can it be A literary sensation and a bestseller in England and the United States The Blue Flower was one of eleven books and the only paperback chosen as an Editor s Choice by the New York Times Book Review The 1997 National Book Critics Circle Award Winner in Fiction The Bending Blue Flower LaKesha Capers-Glover,2023-12-23 Blue is a caring flower who always gave unselfishly to the other flowers in the garden never looking for anything in return But one day Blue gave until it couldn t give anymore What will become of this little blue flower The Bending Blue Flower is an enlightening story about generosity strength potential and the enduring power of kindness **The Blue Flower** Henry Van Dyke,2020-04-13 The parents were abed and sleeping The clock on the wall ticked loudly and lazily as if it had time to spare Outside the rattling windows there was a restless whispering wind The room grew light and dark and wondrous light again as the moon played hide and seek through the clouds The boy wide awake and quiet in his bed was thinking of the Stranger and his stories It was not what he told me about the treasures he said to himself that was not the thing which filled me with so strange a longing I am not greedy for riches But the Blue Flower is what I long for I can think of nothing else Never have I felt so before It seems as if I had been dreaming until now or as if I had just slept over into a new world Who cared for flowers in the old world where I used to live I never heard of anyone whose whole heart was set upon finding a flower But now I cannot even tell all that I feel sometimes as happy as if I were enchanted But when the flower fades from me when I cannot see it in my mind then it is like being very thirsty and all alone That is what the other people could not understand The Blue Flower... Romanticism introduced first by Novalis From the Preface The stories in this book have been growing together for a long time It is at least ten years since the first of them the story of The Other Wise Man came to me and all the others I knew quite well by heart a good while before I could find the time in a hard worked life to write them down and try to make them clear and true to others It has been a slow task because the right word has not always been easy to find and I wanted to keep free from conventionality in the thought and close to nature in the picture It is enough to cause a man no little shame to see how small is the fruit of so long labour And yet after all when one wishes to write about life especially about that part of it which is inward the inwrought experience of living may be of value And that is a thing which one cannot get in haste neither can it be made to order Patient waiting belongs to it and rainy days belong to it and the best of it sometimes comes in the doing of tasks that seem not to amount to much So in the long run I suppose while delay and failure and interruption may keep a piece of work very small yet in the end they enter into the quality of it and bring it a little nearer to the real thing which is always more or less of a secret

**The Land of the Blue Flower (Illustrated Edition)** Frances Hodgson Burnett,2019-01-06 The Land of the Blue Flower Amor is a young orphaned king who advised by a wise old man leaves his dark and gloomy kingdom He returns with the seeds of blue flower which turns out to be magical The Story of Prince Fairyfoot is the tale of a young prince who represents an embarrassment for his large footed royal family He leaves the royal castle and walks off to live with the family of a shepherder destined to find happiness The Proud Little Grain of Wheat is the tale that follows the adventures and escapades of a single grain from the time it gets planted into the ground to the time she gets consumed This grain is extremely proud of itself wanting to be the best at being seed flower or a cake In the Closed Room Judith is a beautiful young girl who resembles her Aunt Hester who died at fifteen Her parents become caretakers of a house that was abandoned quickly by a family grieving the sudden death of their child In the closed room of the spooky house Judith meets a new friend
