Blue Roan Child:

The Blue Roan Child Jamieson Findlay, 2011-04-20 An epic adventure of love trust magic and a very special friendship between a brave young girl and a remarkable horse Syeira lives in Haysele a land of horses and horse sensitives Fate pairs her with the wild mare Arwin when Arwin s two colts are taken from her and Syeira decides to help Arwin rescue the colts Their mission proves harder than they imagined for the fearsome Lord Ran has taken the colts far away to Thruckport his fortified city by the sea But despite his power Lord Ran s empire is less secure than he thinks Rebel forces are gathering against him and a few brave souls are ready to risk their lives to help Syeira and Arwin Even so it will take all their courage to save the colts Like Philip Pullman s His Dark Materials trilogy and J K Rowling s Harry Potter series Jamieson Findlay s **The Blue Roan Child** is an enchanting story for readers young and old

Blue Roan Child Jamieson Findlay, 2004 She reached down to touch the mare s neck and suddenly felt a small surge of happiness For the first time since her mother died she was no longer alone She remembered what the grooms had said about wild horses that the mares of a herd always adopted an orphan foal Well she had been adopted not by the mare but by the whole herd of Arva horses Their fight was now her fight and she and the mare would wage it together Syeira an orphaned girl lives and works in King Hulvere s river stable She has a way with horses especially with Arwin a wild and beautiful mare whose two colts have been stolen by Ran an evil warlord Fate pairs girl and animal and together they set out to find the young horses Their quest takes them across dangerous waters and through enchanted forests crossing paths with all sorts of characters who can help or harm them But in the end Syeira and Arwin must only trust each other For it is their extraordinary bond that gives them the courage to fight for Arwin s colts and to gallop head long for freedom

Blue Roan Colt Dusty Richards, Velda Brotherton, 2019-06-25 There is nothing better for the inside of a man than the outside of a horse After four years on the bloody battlefields of Europe during World War II Army Staff Sergeant Mark Shaw returns home to Arizona with nothing but the hope of living a quiet existence and chasing the sunset on horseback forevermore Scarred by the war in the way only a soldier who has been on the front lines can be his every step is haunted by the rattle of machine guns the roar of artillery and the screams of dying friends and comrades The homecoming he receives upon his return though is nothing like what he d hoped for a wife who couldn t wait for him in an America that has become almost unrecognizable in his absence Shattered by her betrayal Mark gives up on love life and the possibility of ever finding the peace he longs for Life is not quite done with Mark however While he throws himself into the backbreaking work of building a ranch fate takes a hand first in the form of Alma Cornbird a Pima woman then in the guise of a beautiful rodeo queen named Julie Wright Both women are determined not to let him slip further into isolation and despair and both leave their mark upon him With their help the violent afterimages of the war begin to fade and life blooms again from the hollow shell it left behind The only thing he lacks is the right horse on which to chase that sunset once more *Blue Roan Colt* is the heartwarming story of a man broken by war and betrayal who finds salvation

through the gift of love brought to life by legendary author Dusty Richards and his longtime writing partner Velda Brotherton

Blue Horse Dreaming Melanie Wallace,2010-05-22 Blue Horse Dreaming is the riveting story of Abigail Buwell who is kidnapped by a Native American tribe and later redeemed by U S military troops Distraught at being returned Abigail views her redemption as yet another captivity with freedom still agonizingly out of reach Ultimately she remains a captive on many levels in the shackles of otherness language physical confinement womanhood and motherhood Blue Horse Dreaming is also the story of Major Robert Cutter the man into whose hands Abigail is delivered Through his tormented eyes we see a vividly compelling portrayal of life on a far flung military outpost in the aftermath of the Civil War where troops and civilians suffered from crushing poverty famine and illness just beyond the traces of an emigrant trail whose way is marked by gravesites This is a novel of hauntings and of the haunted in which the ghosts of the past both beloved and despised raise their heads to compete for the souls of the living left behind

Street Literature of the Long Nineteenth Century David Atkinson,Steve Roud,2017-08-21 For centuries street literature was the main cheap reading material of the working classes broadsides chapbooks songsters prints engravings and other forms of print produced specifically to suit their taste and cheap enough for even the poor to buy Starting in the sixteenth century but at its chaotic and flamboyant peak in the nineteenth street literature was on sale everywhere in urban streets and alleyways at country fairs and markets at major sporting events and holiday gatherings and under the gallows at public executions For this very reason it was often despised and denigrated by the educated classes but remained enduringly popular with the ordinary people Anything and everything was grist to the printers mill if it would sell A penny could buy you a celebrity scandal a report of a gruesome murder the last dying speech of a condemned criminal wonder tales riddles and conundrums a moral tale of religious danger and redemption a comic tale of drunken husbands and shrewish wives a temperance tract or an ode

to be a satire on dandies an alphabet or read a ma daisy reading made easy to teach your children an illustrated chapbook of nursery rhymes or the adventures of Robin Hood and Jack the Giant Killer Street literature long held its own by catering directly for the ordinary people at a price they could afford but by the end of the Victorian era it was in terminal decline and was rapidly being replaced by a host of new printed materials in the shape of cheap newspapers and magazines penny dreadful novels music hall songbooks and so on all aimed squarely at the burgeoning mass market Fascinating today for the unique light it shines on the lives of the ordinary people of the age street literature has long been neglected as a historical resource and this collection of essays is the first general book on the trade for over forty years The Most Beautiful Among the Children of Men Helen Ram,1884 Bloodstone Philip,2012-12-10 Book 2 in the Rebel Angels series begun by Firebrand 9781905537198 Wolfsbane 9781905537358 is book 3 We shouldn't be here We said we'd never cross the Veil that we wouldn't come home till we found the Stone But we'd given no oath So we lied So what As if we could live without breathing our own air once a decade Kate NicNiven must know that as well as we did But if our queen wanted to kill us she'd have to find us first For centuries Seth and Conal have hunted for the Bloodstone Kate wants without success Homesick and determined to ensure their clann's safety they've also made secret forays across the Veil One of these illicit crossings has violent consequences that will devastate both their close family and eventually their entire clann In the otherworld Jed Cameron a feral fullmortal young thief becomes entangled with the strange and dangerous Finn MacAngus and her shadowy uncles When he is dragged accidentally into the world of the Sithe it's nothing he can't handle but that's before time warps around him and the danger reaches out to threaten his infant brother In the collision of two worlds conflict and tragedy are inevitable especially when treachery comes from the most shocking of quarters **Forthcoming Books** Rose Arny,2002-04
