Campbell, Holly J. McCammon**

Blue Collar An Internal Examination Of The Work Place:

Blue Collar Charles Spencer,1978 *Personnel Literature* United States. Office of Personnel Management. Library,United States Civil Service Commission. Library,1977 *Labor Literature* United States. Department of Labor. Library,1977 *Labor Literature* ,1978 **Position Classification, Pay, and Employee Benefits** United States Civil Service Commission. Library,1978 **Productivity and the Quality of Working Life** United States Civil Service Commission. Library,1978 *Dimensions of Dignity at Work* Sharon Bolton,2007-08-15 What is dignity in and at work How is it experienced differently by different groups of working people Are there enduring divisions of dignity unequal access to what is accepted to be a fundamental human right How can we ensure that continued opportunities are available for the creation maintenance and restoration of dignity at work This edited collection of papers investigates the concept of dignity and what it means to people in their working lives how we are perceived and valued as people in the workplace Contributors to over a century of social and organizational analysis have talked about dignity at work but the discussion has tended to take place under headings such as citizenship satisfaction mutuality pride in work responsible autonomy and ontological security or to focus on mismanagement over long hours a poor working environment workplace bullying and harassment as the central facilitator of indignity at work Dignity in and at work is a far more complex phenomenon than these representations would suggest Neither is it enough to suggest that equal opportunity work life balance and anti bullying policies restore dignity to work valuable interventions though they are in themselves The papers featured in this edited collection suggest that we see dignity reordered and experienced in different ways depending on our own circumstances and viewpoints

Bureaucracy and the Labor Process Dan Clawson,1980 Monograph on the role of bureaucracy and technology in the historical development of industrial management in the USA from 1860 to 1920 comprises a Marxism analysis of social class struggle involving capitalist vs Workers control of production targets work organization and other factors related to the means of production *Job Stress and Blue Collar Work* Cary L. Cooper,Michael James Smith,1985 Study of mental stress occupational diseases and occupational injuries experienced by manual workers in the UK explores the trends in employees attitudes since 1970s sociological aspects reasons for lack of job satisfaction reviews stressful working conditions work pacing the impact of stress on quality control inspection the occupational health effects of work load and shift work use of flexible hours of work and compressed working week etc discusses the effects of technological change use of employee counselling programmes etc **Working in Restructured Workplaces** Daniel B. Cornfield,Karen Campbell,Holly J. McCammon,2001-07-27 What are the contemporary trends in workplace restructuring and the sociological impact on workers lives Around what concepts will work be organized and groups and individuals motivated in their work into the new century To give you definition and answers to these contemporary questions the editors of the sociological quarterly Work and Occupations assembled Working in Restructured Workplaces It addresses contradictory influences in contemporary

workplace restructuring its impact on workers lives and the direction and nature of future changes in the workplace This authentic collection of sociological thought and research consists of previous works in Work and Occupations and some commissioned specifically for this book to focus on the nature causes and consequences of workplace restructuring The editors introduce a new concept of workplace restructuring to broaden your perspective and then assess implications for workers and their lives The chapters address four major themes Reconfiguring workplace status hierarchies Casualization of employment relationships Restructuring and worker marginalization Comparative labor responses to global restructuring The last two chapters chart new research agendas on the boundaries and durability of workplace restructuring

Blue-collar Stress Arthur B. Shostak,1980 Monograph on mental stress among White men manual workers in the USA describes stress factors such as unfavourable working conditions occupational health hazards low social status etc And considers the role of trade unions both as a source of and an antidote to stress Photographs and references *Personnel Bibliography Series* United States Civil Service Commission. Library,1960 **Personnel Bibliography Series** United States. Office of Personnel Management. Library,1979 **Hard Work** Rick Fantasia,Kim Voss,2004-06-16 This concise overview of the labor movement in the United States focuses on why American workers have failed to develop the powerful unions that exist in other industrialized countries Packed with valuable analysis and information Hard Work explores historical perspectives examines social and political policies and brings us inside today s unions providing an excellent introduction to labor in America Hard Work begins with a comparison of the very different conditions that prevail for labor in the United States and in Europe What emerges is a picture of an American labor movement forced to operate on terrain shaped by powerful corporations a weak state and an inhospitable judicial system What also emerges is a picture of an American worker that has virtually disappeared from the American social imagination Recently however the authors find that a new kind of unionism one that more closely resembles a social movement has begun to develop from the shell of the old labor movement Looking at the cities of Los Angeles and Las Vegas they point to new practices that are being developed by innovative unions to fight corporate domination practices that may well signal a revival of unionism and the emergence of a new social imagination in the United States **Cultures of Solidarity** Rick Fantasia,1989-08-18 A commonplace assumption about American workers is that they lack class consciousness This perception has baffled social scientists demoralized activists and generated a significant literature on American exceptionalism In this provocative book a young sociologist takes the prevailing assumptions to task and sheds new light upon this very important issue In three vivid case studies Fantasia explores the complicated multi faceted dynamics of American working class consciousness and collective action Dignity at Work Randy Hodson,2001-09-10 Human dignity the ability to establish a sense of self worth and self respect and to enjoy the respect of others is necessary for a fully realized life Working with dignity is a fundamental part of achieving a life well lived yet the workplace often poses challenging obstacles because of mismanagement or managerial

abuse Defending dignity and realizing self respect through work are key to workers well being insuring the dignity of employees is equally important for organizations as they attempt to make effective use of their human capital In this book Randy Hodson a sociologist of work and organizational behavior applies ethnographic and statistical approaches to this topic offering both a richly detailed inside look at real examples of dignity in action and a broader analysis of the pivotal role of dignity at work *Monthly Labor Review* ,1998 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews *The Transformation of U.S. Unions* Ray M. Tillman,Michael S. Cummings,1999 Primarily investigates how important the 1995 change in the leadership of the AFL CIO the US federation of labor unions may turn out to be for the course of the labor movement The 14 essays advocate a socially conscious grassroots democracy as the crux of union reform and resurgence Labor activists scholars and journalists consider such topics as rank and file organizers reform in the Teamsters and United Auto Workers Justice for Janitors and cross border alliances Paper edition unseen 22 50 Annotation copyrighted by Book News Inc Portland OR Barriers to Work Place Advancement Bette Woody,Carol L. Weiss,1994 **Mother Jones Magazine** ,1977-04 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues
