array of lively flesh and blood characters Blackthorn's heart started beating again I can't pick up what's going on these days the sources said swaying his head sadly but I found a feeling something strange is behind it In most cases the hero of the story has to fall out is usually the difficult path the more upright style He never experiences a quick death For example in Leon's case his beliefs are genuine He's not just a wizard but humanitarian He believes if necessary he must sacrifice himself on the cold slab of the heathen altar In more than one instance he was willing to perish by a blade he had honed wielded by the very arm that had given strength skill and consciousness An intuitive feeling has risen in the world's heart today that somehow our lives are one The prolific author spoke of an idea that he had envisioned remotely in his psyche He envisioned the omniscient potent foe unsheathing his terrible anger and disappointment Blackthorne illustrated how there are no unrelated warring factions somewhere a splendid unity exists behind the apparent diversity We can reveal that hidden thread of being and purpose that seems to marry up the whole Even the stars and galaxies of other worlds are destined to become part of one harmonious mass For the moment the author felt a sudden twinge of fear as his innards shifted violently Along the spur of the moment the fear was gone replaced by a strong pulse of excitement Why should he be afraid he asked himself He could be likened to the characters in his books James explained how long ago he had readied himself for such exigencies Blackthorne explained From an author's point of view you generally do better if you're close to your character Yet you don't desire to be quite as close as you would like to be from the viewpoint of building up your creativity Come meet the cast of exciting characters as they are involved in this Fine Fantasy firmly rooted in reality there's a strong focus on one of the leading characters called the Grand Wizard Leon Davith It's common for Leon to join powers with his Golem son called Barson Wolfe Blackstone translated his comments into velocity at times he requires the reader to stiffen in order to meet the shock Still no story is complete without including the feminine factions Bards' gal pal referred to as Quill who is an alluring young sorceress Meanwhile she stood in the company of two beautiful ferries called Erin and Leda Erin commented to Quill Our alibi's sound so good in theory but in reality what we experience is a different means of narrating the story Leon nodded However Quill explained I can't help the rumination of my thoughts For a minute there was no response Leda remarked my gut feeling informs me that this trip delivers a few glitches is about more than just some ancient relic Stop that Erin said I suffer a strange impression whatever or wherever it is we're being summoned there Leda's eyes opened full My curiosities got me why are we summoned and for what person purpose Leon commented Simmer down ladies it's best to catch some rest before the big day
