

Shawnee war chief, Blue Jacket, was an important defender of his tribal lands in the Northwest Indian Wars and predecessor of the famous Tecumseh.

Blue Jacket War Chief Of The Shawnee

Paul R. Misencik, Sally E. Misencik

Blue Jacket War Chief Of The Shawnee:

Blue Jacket, War Chief of the Shawnees Allan W. Eckert, 1969 In the year 1771 a white boy named Marmaduke Van Swearingen was captured by Shawnee Indians in what is now West Virginia but was then the edge of the American frontier Impressed with his bravery he was not killed but instead was taken to Ohio where he was adopted into the tribe and given the name Blue Jacket from the blue shirt he was wearing at the time of his capture The boy grew to excel as a warrior and leader and became the only white to be made a war chief of the Shawnee Nation And the name Blue Jacket became famous throughout the Northwest Territory The characters in this book were real people who lived the life and did the things herein recounted Much of the dialogue is taken directly from historical records Allan W Eckert author of *The Frontiersmen* and 39 other notable books has taken all of the known facts of Blue Jacket's life and has woven them into a narrative of compelling interest with a very different perspective on the way America was settled

American Indians of the Ohio Country in the 18th Century Paul R. Misencik, Sally E. Misencik, 2020-01-17 In the mid 17th century the Iroquois Confederacy launched a war for control of the burgeoning fur trade industry These conflicts known as the Beaver Wars were among the bloodiest in North American history and the resulting defeat of the Erie nation led to present day Ohio's becoming devoid of significant permanent Indian inhabitants Only in the first quarter of the 18th century did tribes begin to tentatively resettle the area This book details the story of the Beaver Wars the subsequent Indian migrations into present Ohio the locations and descriptions of documented Indian trails and settlements the Moravian Indian mission communities in Ohio and the Indians' forlorn struggles to preserve an Ohio homeland culminating in their expulsion by Andrew Jackson's Indian Removal Act in 1830

Dayton Ghosts & Legends Sara K. Kaushal, 2023-08-14 Every city has its odd and scary side and Dayton is no exception The ghost of Paul Sorg still sits in his favorite seat in the Sorg Opera House more than a hundred years after his death The so called phantom terrorized truck drivers crossing the Englewood Dam before disappearing for good The famed Butter Street Monster roams Germantown Magee Park is home to numerous bigfoot and ghost sightings and even a unicorn sighting A building of many names the tower on Patterson Boulevard in Kettering near Hills and Dales Park has been the source of many stories for generations but only now is its true story finally told Dayton native author and host of the Dayton Unknown blog Sara Kaushal leads a chilling tour of Gem City's strange and unusual history

Caesar's Silver Mark Stonecipher, 2012 A superb and suspenseful story of fact and fiction that brings to life and chronicles the struggles of real people as they sealed their places in history Caesar a true life character was an escaped slave from Virginia who made his way to the Ohio country and was adopted by the Shawnee His journey from slavery to freedom from fugitive to a Shawnee Warrior is strikingly described in this book Caesar's life intertwined with the Shawnee a proud scattered people noted for their beautiful silver ornaments whose wanderings had brought them to the Ohio Valley Their struggles to remain a strong nation faced with the encroachment of settlers and war with the Longknives is expertly portrayed in this book In 2012 an old

letter is found giving detailed directions to an underground cavern that holds a cache of silver that the Shawnee had hidden. What was found in that cavern will astound you for there was much more than the lost treasure of the Shawnee. There is a section in the form of endnotes at the back of the book that will guide the reader through the actual events of history that inspired the author to create this wonderful story. **Cincinnati Magazine**, 1973-07 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region.

Tecumseh and the Shawnee Prophet Edward Eggleston, Elizabeth Eggleston Seelye, 1878 *Builders of Ohio* Warren R. Van Tine, Michael Dale Pierce, 2003 Van Tine and Pierces Builders of Ohio is composed of twenty four essays that use biography to explore Ohio's history. Collectively they provide a historical overview of the state's development from George Croghan's search for fame and fortune on the seventeenth century frontier through Dave Thomas's more recent creation of a fast food empire. Each chapter also addresses important events and transformations in the state's history such as European settlement, Native American resistance, the creation of territorial and state governments, the development of the state's educational and economic institutions, the disruption created by the Civil War, the struggle of African Americans and women to participate in Ohio's public life, efforts to ameliorate the pernicious effects of industrialization, the negotiation of the state's role in a nation increasingly dominated by the federal government, or the ramifications of de industrialization and rise of a service economy. **Daughter of Shiloh** Ilene Shepard Smiddy, 2014-06-20 This historical novel is based on the life of young Clarinda Allington, taken captive by Indians in 1793. She was kept twelve years in the Cherokee nation by a handsome and powerful war chief named Chulio Shoe Boots, who she thought to be her savior. Her heart's desire was to someday return back to her Kentucky home. Essentially fiction, the novel contains many documented facts that reveal the fascinating relationship between the chief and his white slave girl. The conflicts surrounding the Indian nations and the frontier settlers from 1790-1806 provide a background for their story. Clarinda was an ordinary girl forced to live an extraordinary life. The fact that she survived and her devotion to her children is testimony to her indomitable spirit. Unknown to Clarinda, all attempts by her family to find her were secretly thwarted by the chief. After learning that her capture was an intentional act engineered by him, Clarinda devised a risky and ingenious plan to gain her freedom. She returned to not only a life of poverty but prejudice and bigotry directed at her three Indian children. Because the Cherokee held Clarinda in such high regard, she has many namesakes down through Cherokee history. She is an American legend whose story has never been told. **Chief Two Feathers** Pasquale De Marco, Explore the rich history and culture of the Shawnee people from their origins to their present day. The Shawnee people are a Native American tribe with a rich and storied history. They have played a significant role in American history from their involvement in the American Revolution and the War of 1812 to their forced removal from their ancestral lands in the 19th century. Today the Shawnee people continue to thrive, preserving their culture and traditions while also contributing to American society in many ways. In this comprehensive book you will learn about all aspects of

Shawnee history and culture including The Shawnee people s origins and migration to North America Their way of life including their social structure government and economy Their religious beliefs and practices Their art music and literature Their interactions with other Native American tribes and with European settlers Their involvement in major events in American history such as the American Revolution and the Civil War The challenges that the Shawnee people have faced throughout their history including forced removal discrimination and poverty Their many contributions to American society including their role in the military government and arts Chief Two Feathers is the definitive guide to the Shawnee people and their history It is a must read for anyone interested in Native American history and culture Reviews This book is a valuable resource for anyone interested in learning more about the Shawnee people and their history It is well written and informative and it covers a wide range of topics Dr David A Nichols Professor of History University of Oklahoma This book is a must read for anyone interested in Native American history and culture It is a comprehensive and engaging account of the Shawnee people from their origins to their present day Dr Rebecca A Baird Associate Professor of History University of California Berkeley This book is a valuable contribution to the field of Native American studies It is a well researched and informative account of the Shawnee people and their history Dr William C Sturtevant Professor Emeritus of Anthropology Smithsonian Institution If you like this book write a review

Catspaw Ronald E. Hagen,2025-01-06 Members of the Girty McKee and Elliott families were actively involved in Indian white diplomacy in the American Northwest from before the 1730s to the end of the War of 1812 The involvement included as many as five generations in the families Family members started out as fur traders with several Indian nations but their careers gradually evolved into serving as agents and negotiators for the British government They were actively involved in seven frontier wars and would eventually contribute to efforts to set up what was in effect a buffer Indian state located between the United States and British governed Canada The book Catspaw covers the first half of the families involvement in British Indian affairs It concludes in the spring of 1778 when members of the three families defected from working with the Americans to joining the British in promoting frontier war against the Americans To the Americans the defection was an act of treason To the British and later the Canadians it was an act of loyalty

Appalachian Children's Literature ,2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present Titles represent the entire region as defined by the Appalachian Regional Commission including portions of 13 states stretching from southern New York to northern Mississippi The bibliography is arranged in alphabetical order by author and each title is accompanied by an annotation most of which include composite reviews and critical analyses of the work All classic genres of children s literature are represented *The Element Encyclopedia of Native Americans: An A to Z of Tribes, Culture, and History* Adele Nozedar,2013-01-31 A comprehensive guide to the history culture and religious beliefs and practices of America s native people The Element Encyclopedia of Native Americans tells the varied and colourful stories of the tribes their greatest leaders wars pacts and the long lasting

impact that their profound wisdom and spirituality has on the West today The Shawnees and Their Neighbors, 1795-1870
Stephen Warren,2008-12-12 Stephen Warren traces the transformation in Shawnee sociopolitical organization over seventy years as it changed from village centric multi tribe kin groups to an institutionalized national government By analyzing the crucial role that individuals institutions and policies played in shaping modern tribal governments Warren establishes that the form of the modern Shawnee tribe was coerced in accordance with the U S government s desire for an entity with whom to do business rather than as a natural development of traditional Shawnee ways Provisional Government of Nebraska Territory and the Journals of William Walker, Provisional Governor of Nebraska Territory William Elsey Connelley,1899
