*Frick's Creek and Other Tales* Christopher Eckhoff, 2013-03 In many ways being an outdoorsman on the plains and prairies of North America is much the same today as it was one hundred years ago The hunting concept of fair chase the respect for the environment even the dangers associated with being out on the prairie on a frigid winter day in pursuit of game hasn't changed over time *Frick's Creek and Other Tales* takes the reader on a humorous and thought provoking journey across the plains It loosely follows one extended family in a tight knit community showing how youngsters are taught the code and how adults live by it A short novella about a champion bird dog told through the mind of the dog is included as well The author has been training and competing with these rare dogs for over thirty five years and he has come to understand their true nature as much as a person can Anyone who has owned trained and or handled these dogs knows there is something different about the way they think This novella gives the reader a good idea of what that thinking is The journey

starts at birth and continues well beyond the dog's competitive years. At times heartwarming and tragic, this story is riveting throughout. Rescued Me Nestor "The Boss" Gomez, 2025-11-11 Nestor Gomez was sure he had found love with his new girlfriend. The only problem? His girlfriend was still in love with a real dog. No, really, a seventy-pound pitbull mix. And after having been well-nearly emasculated by a dog that bit him high on the thigh when he was a young boy, Nestor had developed a paralyzing phobia of our four-legged friends. Soon he was faced with a dilemma: could he learn to love the creatures that had aroused in him such terror, or would he lose the love of his life on account of her pet? To say nothing of all the other little challenges that loom large in life and relationships: a hand-me-down mattress with poky springs, nosy neighbors with belligerent blogs, pesky police, and an evil cat. Rescued Me is a lively little memoir from one of Chicago's greatest live storytellers. It's a true and touching story about finding the courage to love after you've been hurt, literally and figuratively. And it's a wonderful monument to the growth and change we must find in ourselves if we are to move past our fears and into a bigger and better life. This discussion edition features questions designed to promote classroom discussion. A portion of every sale will be donated to local animal charities. Which might give you a little clue as to how the story turns out. **The Englishwoman's Domestic Magazine**, 1866 The Variation of Animals and Plants Under Domestication Charles Darwin, 1899
