George D. Bennett, 2002 *United States Army Issues Background Bibliography* **Terror on the Santa Fe Trail** Doug Hocking, 2019-09-20 Winner of the 2020 Will Rogers Medallion Award for Western Nonfiction In the 1840s and 50s the Jicarilla Apache were the terror of the Santa Fe Trail and the Rio Arriba They repeatedly clashed with the cavalry and raided wagon trains and there was bad blood between the band and the Army after the Battle of San Pasqual when they were on opposite sides during the Mexican American War In 1854 as traffic was on the increase along the historic trade route the Jicarilla soundly defeated the 1st United States Dragoons in the Battle of Cieneguilla Cieneguilla was the worst defeat of the US Army in the West up to that time and it was just one of the first major battles between the US Army and Apache forces during the Ute Wars According to one version of events the 60 dragoons under the direction of a Lt Davidson had engaged in an unauthorized attack on the Jicarilla while they were out on patrol Others claimed that the Jicarilla either ambushed the

Army or taunted them into attack Kit Carson who was agent for the Jicarilla would defend Davidson's actions and after this fight he served as a scout against the Jicarilla. Much like the Sioux defeat of Custer at Little Big Horn the Jicarilla's victory over the Army led to retribution and disaster. The Jicarilla were defeated and faded from memory before the Civil War. These are the events that brought them to ruin.

Distant Thunder Alejandro M. de Quesada, 2016-02-29 *Distant Thunder* details the engrossing experiences of a helicopter pilot's tales of war told through letters that come straight from the heart. Often the author labored well into the night after a mission still wearing the dusty flight suit which bore witness to the events he penned. Don Harward was torn between two worlds: his loyalty to his family and to his country. Like so many other soldiers even on leave he can always hear the dim roar of guns, the distant thunder of war, and is always summoned towards the sound.

Pacific Wings a prestigious New Zealand based magazine has previously published some letters which have been praised by a growing readership both aviator and non flyer alike for their ability to transport the reader into the world of war. Includes superb action photographs from Don's personal collection. A twenty five year veteran of the US Army he details action over Panama, Saudi Arabia, Iraq and Afghanistan including Operation Desert Shield and Desert Storm drawing also from his days in Army Special Ops operating with 22 SAS. As a 160th SOAR pilot for a lot of his military career this is a story that goes above and beyond the normal military lifestyle. An inspiring read.

Custer's Gatling Guns Donald F. Myers, 2008-10-20 Never before has a historically accurate novel telling of the day to day journey to the Little Big Horn featuring interesting characters been written including the Gatling Gun Battery commander and his men. Custer takes his three Gatling Guns with him instead of leaving them at the Yellowstone River. The author a retired Marine came up with a plausible solution of how the heavy machine guns could have moved with the 7th Cavalry without slowing it down through rough terrain. The book has a what if flavor from beginning to the dramatic ending that any history buff will enjoy. A rip roaring tale of the 1870's. About the Author: Donald F. Myers was born and raised in Indianapolis, Indiana. In 1952 at age seventeen he enlisted in the US Marine Corps. He retired from the Corps on 30 April 1973. Myers is Indiana's most decorated living Marine veteran. A recipient of two Silver Star medals for conspicuous gallantry, two Bronze Star medals for heroic achievement, five Purple Heart medals for combat wounds, Navy Marine Corps Commendation medal for heroic achievement, Vietnam Cross of Gallantry with palm and Vietnam Medal of Military Merit are among his 32 awards. The US Department of Veterans Affairs (VA) employed Myers after he was medically retired from the Corps. In 1990 he retired from the VA as a senior counselor. Myers also spent over 20 years with the Indiana Guard Reserve retiring from that military organization as a full colonel. He has authored six books. A father of two sons and three daughters, Myers resides with his wife Dorothy in Franklin Township, a suburb on the southeast side of Indianapolis.
