Chasing an Illusive Dream Frankie Valens,2011-11-01 Frankie Valens autobiography Chasing An Illusive Dream is a story that contains the drama and pathos that inspired the old clich Truth is stranger than fiction This story of a pop singer is about fame and the loss of it separation from family and children and a dramatic return to the Lord Frankies story is a story of rags to riches to rags that started back in 1967 but left him with an enduring celebrity status Linda Stinnett Derby KS Informer This book will help give the reader his family history and the story of the mistakes and accomplishments he made and the incredible journey he took His feelings of rejection at every turn the constant fear of never being accepted or good enough to make a difference and yet he experienced fame and fortune later becoming a gospel recording artist and traveling with his concert pianist wife Phyllis nationwide for over 18 years in a full time music ministry This book attempts to answer

such questions such as Is Frankie related to the famous Mallory Duracell battery family Is Frankie related to the singer Richie Valens Was Daniel Boone Frankies cousin Does Frankie share a grandmother with the famous Lucille Ball What about Frankie being related to the Piper Cub airplane family Because Frankie never became a major recording artist it took years of hard work and dedication for him to try and become a household name Frankie has decided to become very transparent in his desire to reveal his heart to his readers on every page *Chasing Mystery* Carey Walsh,2012-11-01 Why does God have to be so exasperatingly silent Why can t we see him at least long enough to allay doubt How does one grow deeper in love with God against the cultural currents of disdain and antagonism *Chasing Mystery* is an exploration into how the Bible negotiates the presence and absence of God in the hopes of forging a path in situations where absences often seem more pressing than presences Amid the prevailing skepticism and restlessness says Walsh we must relearn the skill of trust in reading Scripture The aim is to experience God through holy writing Walsh offers a work in biblical theology that explores the liveliness of the God of the Bible She insists that the pages of the Bible do not simply describe divine presence they evoke it in the process of reading Not all the time certainly not predictably but enough to warrant a trust Her goal is to strengthen the heart s reading competency in order to facilitate our encounter with God It's Happening William McDowell,2018-04-17 Revival is not a thing of the past It s happening now Since May of 2016 Deeper Fellowship Church in Orlando Florida has experienced a move of God with numerous healings and supernatural encounters This outpouring of the Spirit bears many hallmarks of historic revivals that have taken place in the past four hundred years Pastor William McDowell challenges you to believe that if revival is happening anywhere it can happen everywhere Physical emotional and spiritual healings are taking place today The people of God are passionately pursuing Him and He is responding Interwoven with stories of God working in miraculous ways It s Happening captures biblical truths about experiencing revival and God s presence Position yourself to join in the move of God that is already happening and be a catalyst in spreading it Stop waiting for revival and start seizing it
