Blind Obedience Bill Boyd,2000      *The Grapevine of the Black South* Thomas Aiello,2018-11 In the summer of 1928 William Alexander Scott began a small four page weekly with the help of his brother Cornelius In 1930 his Atlanta World became a semiweekly and the following year W A began to implement his vision for a massive newspaper chain based out of Atlanta the Southern Newspaper Syndicate later dubbed the Scott Newspaper Syndicate In April 1931 the World had become a triweekly and its reach began drifting beyond the South With *The Grapevine of the Black South* Thomas Aiello offers the first critical history of this influential newspaper syndicate from its roots in the 1930s through its end in the 1950s At its heyday more than 240 papers were associated with the Syndicate making it one of the biggest organs of the black press during the period leading up to the classic civil rights era 1955-68 In the generation that followed the Syndicate helped formalize knowledge among the African American population in the South As the civil rights movement exploded throughout the region black southerners found a collective identity in that struggle built on the commonality of the news and the subsequent interpretation of that news Or as Gunnar Myrdal explained the press was the chief agency of group control It told the individual how he should think and feel as an American Negro and created a tremendous power of suggestion by implying that all other Negroes think and feel in this manner It didn't create a complete homogeneity in black southern thinking but it gave thinkers a similar set of tools from which to draw      **Practical Radicalism and the Great Migration**

Thomas Aiello,2023-02-15 This book's predecessor *The Grapevine of the Black South* emphasized the owners of the Atlanta Daily World and its operation of the Scott Newspaper Syndicate between 1931 and 1955 In a pragmatic effort to avoid racial confrontation developing from white fear newspaper editors developed a practical radicalism that argued on the fringes of racial hegemony saving their loudest vitriol for tyranny that was not local and thus left no stake in the game for would be white saboteurs Thomas Aiello reexamined historical thinking about the Depression era Black South the information flow of the Great Migration the place of southern newspapers in the historiography of Black journalism and even the ideological and philosophical underpinnings of the civil rights movement With *Practical Radicalism and the Great Migration* Aiello continues that analysis by tracing the development and trajectory of the individual newspapers of the Syndicate evaluating those with surviving issues and presenting them as they existed in proximity to their Atlanta hub In so doing he emphasizes the thread of practical radicalism that ran through Syndicate editorial policy *Practical Radicalism and the Great Migration* is a supplement to *The Grapevine of the Black South* providing a fuller picture of the Scott Newspaper Syndicate and the Black press in the 1930s 1940s and 1950s      **Bound Labor in the Turpentine Belt** Thomas Aiello,2024-11-19 In this book

Thomas Aiello takes a close look at the Deep South's dependence on systems of bound labor during the post Reconstruction era through the story of a labor camp in Georgia drawing attention to the injustices and abuses of misdemeanor convict leasing      *The Life and Times of Louis Lomax* Thomas Aiello,2021-02-15 Syndicated television and radio host Serial liar
