Blindfoldacts Of Obsebion:

Blindfold, 1994 *The Erotic Thriller in Contemporary Cinema* Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre's exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as *Basic Instinct* *Fatal Attraction* and *In the Cut* to straight to video film titles such as *Carnal Crimes* *Sins of Desire* and *Night Eyes* Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America it also provides a vehicle for marketing those fantasies globally *Spinegrinder* Clive Davies, 2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today's fan of horror and exploitation movies isn't necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on *DAWN OF THE DEAD* In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing *MYSTICS IN BALI* and *S S EXPERIMENT CAMP* long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense *SPINEGRINDER* is one man's ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about One opinion 8 000 reviews or thereabouts *Pretty in Pink* Jonathan Bernstein, 2015-02-03 Jon Bernstein film critic for Spin magazine critiques his favorite teen movies from the golden age of the 80s The Brat Pack and their contemporaries have grown up but celluloid has them flickering forever angst ridden haunted guileless cocky stripped to their briefs and all dressed up pretty in pink This is really a fan's not a film student's book and as such a lot of fun Booklist **Are You In The House Alone?** Amanda Reyes, 2017-04-05 Beginning in the 1960s through its heyday in the 1970s and beyond the telefilm remains an important cultural artefact masquerading as disposable entertainment Made specifically for the small screen within the tight constraints of broadcasting standards what these humble movies lacked in budget and star appeal they made up for in other ways Often they served as an introduction to genre films particularly horror mirroring their theatrical counterparts with a focus on sinister cults women in prison haunted houses and even animals in revolt They were also a place to address serious contemporary issues drugs prostitution sexual violence and justice albeit in a cosy domestic environment Production of telefilms continues to this day but their significance within the history of mass media remains under discussed *Are You in the House Alone* seeks to address this imbalance in a
