The modern London catalogue of books ... containing the books published in London ... since the year 1800 to October 1818 [compiled by W. Bent]. London catalogue,1818 The Confederation Group of Canadian Poets, 1880-1897 D.M.R. Bentley,2013-12-11

As one of the formative periods in Canadian history the late nineteenth century witnessed the birth of a nation a people and a literature In this study of Canada s first school of poets D M R Bentley combines archival work including extensive research in periodicals and newspapers with close readings of the work of Charles G D Roberts Archibald Lampman Bliss Carman William Wilfred Campbell Duncan Campbell Scott and Frederick George Scott Bentley chronicles the formation reception national and international successes and eventual disintegration after the 1895 War Among the Poets of the Confederation Group whose poetry forever changed the perception and direction of Canadian literature With the aid of biographical political and sociological analyses Bentley s literary history delineates the group s political aesthetic and thematic dispositions and characteristics and contextualizes them not only within Canadian history and politics but also within contemporary intellectual and literary currents including Romantic nationalism

Canadianism and poetic formalism Bentley casts new light on the poets commonalities such as their debt to Young Ireland their commitment to careful workmanship and their participation in the American mind cure movement as well as on their most accomplished and anthologized poems from 1880 to 1897 In the process he presents a compelling case for the literary and historical importance of these six men and their poems in light of Canada s cultural and political past and defends their right to be known as Canada s first poetic fraternity at a time when Canada was striving to achieve literary and national distinction The Confederation Group of Canadian Poets 1880 1897 is an erudite and innovative work of literary history and critical interpretation that belongs on the bookshelf of every serious scholar of literary studies **The Azores; Special**

American Poetry in Performance Tyler Hoffman, 2013-05-29 American Performance Poetry is the first book to trace a comprehensive history of performance poetry in America from Whitman through the rap meets poetry scene and to show how the performance of poetry is bound up with the performance of identity and nationality in the modern period. This book will be a meaningful contribution both to the field of American poetry studies and to the fields of cultural and performance studies as it focuses on poetry that refuses the status of fixed aesthetic object and in its variability performs versions of race, class, gender, and sexuality both on and off the page. Relating the performance of poetry to shifting political and cultural ideologies in the United States, Hoffman argues that the vocal aspect of public poetry possesses or has been imagined to possess the ability to help construct both national and subaltern communities. In doing so, American Performance Poetry explores public poets' confrontations with emergent sound recording and communications technologies as those confrontations shape their mythologies of the spoken word and their corresponding notions about America and Americanness.

River of Love in an Age of Pollution David Haberman, 2023-09-01 Celebrated as an aquatic form of divinity for thousands of years, the Yamuna is one of India's most sacred rivers. A prominent feature of north Indian culture, the Yamuna is conceptualized as a goddess flowing with liquid love; yet today it is severely polluted, the victim of fast-paced industrial development. This fascinating and beautifully written book investigates the stories, theology, and religious practices connected with this river goddess, collected from texts written over several millennia as well as from talks with pilgrims, priests, and worshippers who frequent the pilgrimage sites and temples located on her banks. David L. Haberman offers a detailed analysis of the environmental condition of the river and examines how religious practices are affected by its current pollution. He introduces Indian river environmentalism, a form of activism that is different in many ways from its western counterpart. *River of Love in an Age of Pollution* concludes with a consideration of the broader implications of the Yamuna's plight and its effect on worldwide efforts to preserve our environment. Amorous Aesthetics Seth T. Reno, 2019 Amorous Aesthetics traces the development of intellectual love from its first major expression in Baruch Spinoza's Ethics through its adoption and adaptation in eighteenth century moral and natural philosophy to its emergence as a Romantic tradition in the work of six major poets **Publisher and Bookseller** ,1898 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **The Legend of Jubal and Other Poems, Old and New** George Eliot, 1884 *W.B. Yeats, Ezra Pound, and the Poetry of Paradise* Sean Pryor, 2016-02-24 Emphasizing the interplay of aesthetic forms and religious modes Sean Pryor's ambitious study takes up the endlessly reiterated longing for paradise that features throughout the works of W B Yeats and Ezra Pound Yeats and Pound define poetry in terms of paradise and paradise in terms of poetry Pryor suggests and these complex interconnections fundamentally shape the development of their art Even as he maps the shared influences and intellectual interests of Yeats and Pound and highlights those moments when their poetic theories converge Pryor's discussion of their poems profound formal and conceptual differences uncovers the distinctive ways each writer imagines the divine the good the beautiful or the satisfaction of desire Throughout his study Pryor argues that Yeats and Pound reconceive the quest for paradise as a quest for a new kind of poetry a journey that Pryor traces by analysing unpublished manuscript drafts and newly published drafts that have received little attention For Yeats and Pound the journey towards a paradisaic poetic becomes a never ending quest at once self defeating and self fulfilling a formulation that has implications not only for the work of these two poets but for the study of modernist literature
