Blood At Dawn:

Blood by Moonlight Cassie Alexander, 2022-05-08 Dark Ink Tattoo is a steamy paranormal romance series in the vein of Sons of Anarchy or True Blood if everyone in them was a werewolf vampire and queer A werewolf ready to make her last stand A vampire who will do anything to protect the innocent from the unholy Angela My secret is out and now both Mark and Jack know that I m a werewolf Worse my abusive ex boyfriend the one who made me this way has escaped from prison and he s after one thing our son The Pack is a brutal criminal motorcycle gang I don t want that life for Rabbit Jack says he can protect us but the Pack is strong and if they catch us they ll kill me and take Rabbit But if I m going down I m taking Gray with me Jack She s a monster like me but that doesn t change how I feel about her I ll do everything I can to save her and her son When old enemies reappear and my Mistress betrays me I might have to give up everything to protect them from the Pack Angela s entrusted me with her son and I won t let her down Welcome to Dark Ink Tattoo where needles aren t the only things that bite Keyword note Blood of the Pack is perfect for people who miss Charlaine Harris s Southern Vampire Series featuring Sookie Stackhouse which True Blood was based on only everyone in it is bisexual and it s 5 5 spice Series In Order 1 Blood of the Pack 2 Blood at Dusk 3 Blood by Midnight 4 Blood by Moonlight 5 Blood at Dawn 6 Blood of the Dead

Eades, 2022-02-18 Genny Dupont has a lot on her plate Between working full time training to be the best vampire slayer she can be and preparing for her first trip she hasn t had much chance to come to terms with the recent attempt on her and her sister Chloe s lives She should be planning how to defeat their enemies She should be helping Chloe manage her trauma She should also be trying to mend her friendship with her ex boyfriend JP especially since he s accompanying her to France to testify at his uncle s murder trial She should be doing a lot of things she isn t But the one thing Genny cannot do the thing she shoves from her mind although it never stays away long is admit her feelings for Quinn Acting on them would only complicate her life further and undoubtedly drive a permanent wedge between her and JP But even more concerning Quinn is a vampire one who has suffered more in his 139 years than she can imagine It s weird enough that a slayer and a vampire have grown so close Anything more could only end in tragedy At least that s what she s been told by other immortals It s best if they just stay friends That s what she keeps reminding herself but these feelings aren t going away If anything they re growing And they terrify her a lot more than the Vampire Assembly who still wants her dead **Dawn's Journey to Devic's; A Mother's Journal** Shelia

Blood and Arrows of Wits Aiye-ko ooto,2019-10-06 This historical piece transcends current events The current epic details the saga of a reigning king who faces uprising in a time of peace His heir apparent has health issues with no local answers The intruding pressures of the colonials doesn t make community matters any easier to manage However he had to choose to solicit their help for his sick heir while trying hard not to cede power to them Sagacious That you might say until you learn that he suffers recurring dreams of his own death This bothers him extremely We are about to find out where lays the crown where lays his legacy and where lays the path of the future *Blood Relations* Jes Battis,2015-01-27 The television series Buffy and Angel revolve around radical conceptions of family Indeed their coherence depends on the establishment of nontraditional families that admit vampires demons witches werewolves and other bizarre characters without censuring them for their peculiarities This work argues that what makes these characters enduring and engaging is their critical family connections for their most involved struggles occur not within the graveyard but around the dinner table just as the most challenging adversarial forces that they must face are not demons or vampires but the stuff of everyday life What does family encompass within these two series How does it relate to concepts of gender sexuality power and the supernatural as they emerge from the shows complex narratives This book explores such questions It also examines the chosen family an idea marketed specifically by successful programs such as Friends and Sex in the City within the past ten years juxtaposing it against various images of the fractured biological family displayed in both Buffy and Angel Through eight chapters addressing various family related aspects within both shows this work plots the trajectory of this unstable notion of family even as it is transformed remediated and rendered unrecognizable from a family values perspective by the unique and supernatural relationships that proliferate in Buffy and Angel **Midas Touch I: Alter** Saine J. Hanst,2025-07-19 While Kalonice is working part time at a restaurant she accidentally pours food on the million dollar suit of Midas Furious Midas blacklists her name making it impossible for her to find a job anywhere in the world Devastated but determined Kalonice can t afford to give up She has mouths to feed and she will soon graduate as an architect And when she thought all her luck had run out the Dean of her department surprised her with the best news a letter from the world class and prestigious Yzaguirre Arts of Engineering Company inviting her for an exclusive internship interview The world must have been as little as a dot when she and Midas crossed paths again Turns out that he s the eldest son of YAECC s CEO Worst of all the playful CEO paired her with his son as his business partner It was a rough start for both of them at first but as their connection deepens Kalonice struggles to keep her secrets buried Can Kalonice keep her secrets hidden and her heart guarded or will Midas touch break through her defenses Bitter Blood M.S.
